About your plan

Humana knows that good vision health is important to overall health. That's why we're committed to making sure that members get the most value from their vision benefit.

Having your eyes checked every year can help detect vision-related complications, including glaucoma, cataracts, and diabetic retinopathy – the leading cause of blindness among adults¹ and the most common eye complication in diabetic patients².

With the Focus plan, members have access to one of the largest vision networks in the United States*, with optometrists and ophthalmologists at more than 125,000 access points, including both independent and national retail locations such as LensCrafters®, Pearle Vision®, and Target Optical®. Visit **Humana.com/Find-Care** to find a network provider near you.

Staying in-network helps you save money on eye exams, frames and lenses.

You also have access to exclusive, member-only discounts on vision-related products and services when you visit an in-network provider. The discounts are easily accessible from the plan's website at **Humana.com** and can be used above and beyond your vision benefit; they are not part of the insurance plan. Please contact your provider or see the online provider locator to determine which participating providers have agreed to the discounted rate.

Who can enroll in this plan – Anyone can enroll in this plan.

How your plan works

As a member of the Focus plan, you can:

- Use the on-line provider locator to find a network eye care provider at **Humana.com/Find-Care**.
- Purchase eyewear and contact lenses at the provider's office or on-line with a valid prescription.
- Stay in-network to lower your out-of-pocket costs, and your in-network provider will handle the claims paperwork.

This plan has no waiting periods.

People's Benefit Alliance

Membership in the People's Benefit Alliance (PBA) may be required, at an additional cost, in order to be eligible to apply for this plan. The PBA is a not-for profit membership organization that provides health, travel, consumer, and business-related discounts to its members. Visit **Humana.com** for more information.

Additional details

Member receives a 20% discount on items not covered by the plan at in-network locations. Discount does not apply to Provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see the online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products. The Plan reserves the right to make changes to the products on each tier and to the member out-of-pocket costs. Fixed tier pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Services and amounts listed above are subject to change at any time. Discounts are not insured benefits.

Members may also receive 15% off retail price or 5% off promotional price for Lasik or PRK from the US Laser Network, owned and operated by LCA Vision. Since Lasik or PRK vision correction is an elective procedure, performed by specialty trained providers, this discount may not always be available from a provider in your immediate location. Visit **Humana.com/Find-Care** or call **844-608-2020** to find a provider near you.

Allowance means the maximum amount we will pay for a covered service as shown in the "Schedule of Policy Benefits". The covered person is responsible for payment of any amounts in excess of the allowance. In the event the dollar amount of the covered service is less than the allowance amount shown in the "Schedule of Policy Benefits", then we will only pay up to the actual dollar amount of the covered service.

Important to know: Dental and vision plans, excluding Dental Savings Plus, may have a minimum one-year initial contract period. Payment may include an administration fee. Association membership and fees may be required on some plans in some states. A one-time, non-refundable enrollment fee may apply (the fee is non-refundable as allowed by state requirements). Applicable fees are disclosed at time of enrollment. This is a limited policy. This is a vision only policy.
