

Humana Access Spending Account

Letter of Medical Necessity

Under Internal Revenue Service (IRS) rules, some health care services and products are only eligible for reimbursement from your Spending Account when your doctor or other licensed health care provider certifies that they are medically necessary. These expenses are considered *Dual Use* or *Dual Purpose*. For examples of these types of expenses, please log on to www.humanaaccess.com, or call Humana Spending Account Administration at 1-800-604-6228.

Effective 1/1/2020 over the counter (OTC) drugs and medications no longer require a prescription in order to be eligible for reimbursement from your Healthcare Spending Account (this does not include Vitamins or Supplements). **This form (Letter of Medical Necessity) is not a substitute for a prescription**, and is intended only to assist you when you are seeking reimbursement for a dual purpose item.
