Limitations and exclusions

We do not cover cosmetic services or surgery unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered child which has resulted in a functional defect. Cosmetic surgery does not include surgery determined to be medically necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the utilization review process in the "Utilization Review" and "External Appeal" sections of this policy unless medical information is submitted.

We do not cover any health care service, procedure, treatment, or device that is experimental or investigational. However, we will cover experimental or investigational treatments, including treatment for your rare disease or patient costs for your participation in a clinical trial, when our denial of services is overturned by an external appeal agent certified by the State. However, for clinical trials, we will not cover the costs of any investigational drugs or devices, nonhealth services required for you to receive the treatment, the costs of managing the research, or costs that would not be covered under this policy for non-investigational treatments. See the "Grievances" and "External Appeal" sections of this policy for a further explanation of your appeal rights.

If an external appeal agent certified by the State overturns our denial, however, we will cover the service, procedure, treatment, test or device for which coverage has been denied, to the extent that such service, procedure, treatment, test or device is otherwise covered under the terms of this policy.

8. Medicare or other governmental programs:

We do not cover services if benefits are provided for such services under the federal Medicare program or other governmental programs (except Medicaid).

9. Military service:

We do not cover an illness, treatment or medical condition due to service in the armed forces or auxiliary units.
