Letter from PAC Board Chair

The Humana PAC was established to ensure that Humana employees have a voluntary opportunity to demonstrate support for federal and state legislators who share Humana's public policy goals and objectives. Humana seeks to identify and support candidates for public office who understand that private-sector health coverage provides the best opportunity for affordable, accessible and quality health care for all.

The company was engaged in health care reform implementation during 2011, at the federal level and also in many states around the country. Humana's bi-partisan approach to politics has allowed our associates to engage in the political process through their participation in Humana's different Political Action Committees (PACs). While we have now turned our primary attention to implementing the changes from health care reform, we remain committed to improving our nation's health care system, at the federal level and in state capitals around the country.

The enclosed report details Humana's 2011 PAC activity and corporate contributions. The PAC is non-partisan and does not support candidates based on party affiliation. The PAC has a long history of providing support for candidates across party lines.

George Renaudin
PAC Board Chair
Humana Inc.

About the PAC

Humana Inc. established and sponsors a national Political Action Committee (PAC), registered with the Federal Election Commission (FEC). The PAC is a separate segregated funds (SSF) committee, allowed to solicit contributions only from individuals associated with Humana Inc. Copies of reports filed by the PAC with the FEC can be found at: <http://herndon1.sdrdc.com/cgi-bin/fecimg/?C00271007>.

Humana Inc. has also established and sponsors one separate but related state PAC, in Kentucky, governed by the national PAC and referred to collectively in this report as the Humana Inc. Political Action Committee. Copies of reports filed by the PAC with the Kentucky Registry of Election Finance can be found at: <http://www.kref.state.ky.us/krefsearch>.

The PAC has a Board of Directors, which has appointed three individuals (Counsel, PAC Treasurer, PAC Manager) to oversee the operation of the PAC. The PAC is governed by the FEC and applicable federal law and various state laws where the PAC is registered to make state political contributions.

Contributions to the PAC are entirely voluntary. Distributions from the PAC are made to election committees of federal and state office candidates or to other PACs on a non-partisan basis.

Political Contribution Process & Policy

Board Oversight

The Board of Directors of Humana Inc. has reviewed the political contributions and political activities of the company and the PAC described in this report, and will continue to oversee compliance with the overall policy, process and contribution criteria with respect to such contributions and activities. Starting in 2012 and going forward, this review will occur semi-annually, along with semi-annual publication of the Political Contributions and Related Activity Report.

As a matter of policy, all Humana Inc. political activities must promote the interests of the company, and must be made without regard for the private political preferences of company officers or executives. Furthermore, Humana does not make independent expenditures nor does it contribute to ballot measure committees.

Procedure for Political Contributions and Expenditures to State and Federal Level Candidates with PAC Funds

Where permitted, and in compliance with all state and federal campaign finance statutes, regulations, and rules, Humana PAC makes contributions to candidates or political committees on the state level (e.g., statewide office, legislature) and federal level. Requests for PAC contributions to state and federal candidates or political committees are submitted to the Humana PAC Board of Directors. Requests can come from Humana associates, Humana PAC members, and most often, from Humana Public Affairs staff. The Humana PAC Board meets regularly to discuss and approve or decline these requests for a state or federal PAC contribution. These contribution requests are reviewed by legal counsel, for legal and campaign finance law compliance purposes.

Procedure for Political Contributions and Expenditures to State Level Candidates with Corporate Funds

Where permitted, and in compliance with all state campaign finance statutes, regulations, and rules, Humana makes corporate contributions to candidates or committees on the state level (e.g., statewide office, legislature). Requests for corporate contributions to state candidates or committees are submitted to Humana State Public Affairs from Humana associates, and most often, from Humana State Public Affairs staff. These requests are considered and approved or declined by the State Public Affairs Advocate responsible for each particular state. In some cases, the Director of State Public Affairs exercises decision making authority to approve or decline a request for a state corporate contribution. These contribution requests are then submitted to in-house legal counsel, for legal and campaign finance law compliance purposes.
