## Health Insurance Marketplace

- › If coverage was purchased through the Health Insurance Marketplace and an Advance Premium Tax credit was received, any deductible, copay, coinsurance and/or out-of-pocket coinsurance maximum may change without notice. The Health Insurance Marketplace will determine if a change is to be made. We will make the change as directed.

## Network agreements

Network providers (also called in-network providers) agree to accept an agreed-upon amount as payment in full. Your policy explains your share of the cost of services rendered by network providers. The plan may include a deductible, a set amount (copay), and a percent of the costs (coinsurance).

### When you go to an in-network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.

### When you go to an out-of-network provider:

- The amount you pay for health benefits is based on Humana's maximum allowable fee. The amount you pay for dental and vision benefits is based on Humana reimbursement limit.
- The provider can balance bill you for charges greater than the maximum allowable fee and/or the reimbursement limit.
