

# Women's Preventive Drug List

Effective January 1, 2015

Humana is committed to meeting women's unique healthcare needs. Listed below are birth-control and prenatal medicines available to you at no cost\*. This list may not apply to all healthcare plans and may change over time. To understand your plan's prescription drug benefit, sign in to Humana.com. You can also call a Humana Customer Service representative at the phone number on the back of your Humana member ID card.

\* You must have a prescription from your doctor for us to process a claim for preventive medicines or products under your pharmacy plan. This includes over-the-counter items.
