

# ASO Preventive Drug List

Effective January 1, 2016

Welcome to Humana

On the following pages, you will find a list of commonly prescribed drugs in alphabetical order. The list provides information about Humana's Preventive Drug List. This is not a complete list and is subject to change.

## The Preventive Drug list :

A subset of Humana's current drug list. These drugs are preventive in nature, based upon the IRS definitions, and access to these drugs would be available before the member meets their deductible.

Copayment amounts for each level vary by plan and are listed on your Humana member ID card

The second column of the chart lists drug names in alphabetical order. Brand-name drugs are listed in UPPER CASE and generic drugs are listed in lower case
