

Humana Walmart Rx Plan

Humana Preferred Rx Plan

Important information about access to preferred cost share pharmacy locations

With the Humana Walmart Rx Plan or the Humana Preferred Rx Plan, your copays will be lower when you fill your prescriptions at network pharmacies that have preferred cost sharing. These locations include:

- Walmart
- Sam's Club¹
- Neighborhood Market

While you can use other pharmacies in the network, you may pay more for drugs at these locations.

If you live in an urban area in one of the states in the table below, you can still enroll in the Humana Walmart Rx Plan or the Humana Preferred Rx Plan. However you may not have a pharmacy with preferred cost sharing close to you and taking advantage of these savings may not be convenient for you.

Urban areas in the following states:	Average distance to preferred cost share pharmacy ² in urban areas	Percent of urban beneficiaries that live within 2 miles of preferred cost share pharmacy ²
Connecticut	3.8 miles	22.3%
Massachusetts	6.2 miles	14%
Rhode Island	2.9 miles	25.1%
