It's simple

The Humana Walmart Rx Plan (PDP) makes it easy to fill your prescriptions at pharmacies with preferred cost sharing:

- **Transfer** – Bring your new prescription or current pill bottle to a Walmart or Sam's Club pharmacist – the pharmacist will take care of the rest. Your doctor also can fax, call in or electronically submit your prescription to your local Walmart pharmacy.
- **Trusted pharmacists** – The highly trained pharmacy staff at Walmart or Sam's Club* is available to discuss questions you may have about your prescriptions.

Save even more

You may also save time, money and effort by using Humana Pharmacy®:

- **Safety and accuracy** – Two pharmacists check your new prescriptions to make sure they're safe to use with your other medicines. Plus, your order comes in plain packaging so no one will know your package contains medicine.
