Humana Gold Plus HMO or Humana Gold Plus HMO-SNP or Humana Medicare Employer HMO Provider Directory

This directory is current as of 11/10/2016.

This directory provides a list of Humana Gold Plus or Humana Medicare Employer HMO network providers.

This directory contains providers in the following states, counties, parishes or municipalities:

NV:Clark, Nye

Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members.

Introduction

This directory provides a list of Humana Gold Plus or Humana Medicare Employer HMO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

How to get the most out of your network

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider.

If you obtain routine care from out-of-network providers, neither Medicare nor Humana will be responsible for the costs.

If your plan has providers with preferred cost-sharing as part of its benefits, please refer to the Evidence of Coverage for more information on the cost-sharing for each tier.

What you should do if you have bills from out-of-network providers that you think should be paid by Humana Gold Plus or Humana Medicare Employer HMO.

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) services that you get when you are outside the plan's service area, care that has been approved in advance by the plan, and any services which were ordered covered through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Customer Care (details on front and back cover pages). Or send the bill(s) with a note explaining the situation to:

**Humana Claims Office
P.O. Box 94017
Las Vegas, NV 89193-5638**

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Suppose that you are temporarily outside the plan's service area, but still in the United States and territories. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and cannot get care from network providers), our plan will cover urgently needed care that you get from any provider.

Our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States and territories.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to a network hospital in order for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

Getting Care from Specialists

When your PCP thinks that you need specialized treatment, he or she may give you a "referral" (approval ahead of time) to see a network specialist. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the plan. This is called "prior authorization".

It is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, see the section on "Self Referrals" below. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each PCP may have certain network specialists they use for referrals. This means that the Humana Gold Plus or Humana Medicare Employer HMO specialists you can use may depend on which person you choose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. Please refer to your Evidence of Coverage for information about changing your PCP. If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

When choosing a physician for Well Woman exams, please refer to the Specialist section within the provider directory for a listing of OB/GYN physicians.

Mental Health

For mental health or substance abuse services, you or your doctor or counselor must call Harmony Health for authorization. Please call 1-702-251-8000 (TTY: 711). The hours are Monday through Friday, 8 a.m. to 5:30 p.m. PST. For additional information, go to **Humana.com** or contact the phone number listed on your plan identification card.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please call 1-866-421-5663 (TTY: 1-800-336-6709). Our hours are Monday through Friday, 8:30 a.m. to 5:00 p.m.

Humana Fitness

Not all Medicare Advantage plans offer a fitness benefit. Please refer to your Evidence of Coverage for fitness benefit and contact information.

Vision Providers

If you are a member of Humana Medicare Employer HMO, vision providers may vary. Please contact your Benefits Administrator for information on the available providers in your area.

Self-Referrals

In some cases, you can get coverage for the services listed below without a referral or approval ahead of time from your PCP. "**Self-referred**" means you get services on your own from network physicians.

The following services may be self-referred:

- Emergency services, whether you get these services from plan providers or out-of-network providers.
 - Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan's service area.
 - Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area.
 - All Medicare covered preventive services as long as you get them from a network provider. These services are listed in the benefits chart in Chapter 4 of your Evidence of Coverage (EOC).
-

Hospital Services

The presence of a hospital in this directory does not always guarantee that you will be referred to that particular hospital. Your physician may not admit to all network hospitals. Please consult your current or prospective physician to determine the hospitals with whom they are associated. However, inpatient hospital admissions, except in emergency and urgently needed care situations, will require prior authorization from us.

Hospitalist Program

If your PCP participates in the Hospitalist Program, and you are admitted to the hospital, all aspects of your care will be actively directed and coordinated by a full time physician specially trained in inpatient care. The physician is referred to as a hospitalist and is independently contracted and board-certified or eligible for board certification by the American Board of Internal Medicine.

A case management coordinator, another member of the hospitalist team, is a licensed nurse trained in patient care management. He or she coordinates your needs and services (such as lab work, X-rays, consultations and more) with the hospitalist physician.

Your hospitalist physician and case management coordinator will report your condition and progress to your PCP regularly. They may also schedule a follow-up appointment with your PCP.

Network Pharmacies

How to get the most out of your pharmacy network

The "network pharmacies" listed in this directory have agreed to provide you with your prescription coverage. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Humana Prescription Drug Guide. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under Humana Gold Plus or Humana Medicare Employer HMO only if they are filled at a network pharmacy, or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **Humana.com**. You may also call Customer Care for updated provider information.

Medicare Part B prescription drug coverage

Members with only Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network" and "How to submit a paper pharmacy claim" beginning on page 9.

Mail-Order Pharmacies

Pharmacies with preferred mail order cost-sharing are pharmacies in Humana's network in which Humana has negotiated lower cost-sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail-order cost-sharing than at out-of-network mail-order pharmacies. You may go to either of these types of network mail-order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred and standard mail-order cost-sharing pharmacy benefits, you may use any mail-order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order delivery service. Typically, you should expect to receive your prescription drugs from 7 to 10 days for refills and 10 to 14 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Care (details on front and back covers).

To refill your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

If you are a member of a qualified State Pharmaceutical Assistance Program, please contact the program to verify that the mail-order pharmacy will coordinate with that program.

Are home infusion pharmacies part of the pharmacy network?

Humana Gold Plus or Humana Medicare Employer HMO will cover infusion therapy drugs if:

- Your prescription drug is on your Humana Gold Plus or Humana Medicare Employer HMO formulary, or you have a formulary exception;
 - Humana Gold Plus or Humana Medicare Employer HMO has approved your prescription drug for home infusion therapy; and
 - Your prescription is written by an authorized prescriber.
-

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under Humana Gold Plus or Humana Medicare Employer HMO through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Humana Gold Plus or Humana Medicare Employer HMO pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, call Customer Care (details on front and back cover pages) to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form.

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to "How to submit a paper pharmacy claim" below.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

How to submit a paper pharmacy claim

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you may need to pay the full cost of your prescription. When you return home, simply submit your paper claim and your itemized receipt to the following address:

**Humana Claims Office
P.O. Box 14140
Lexington, KY 40512-4140**

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Care (details on front and back cover pages) for more information on initial coverage determinations.

Directorio de Proveedores de Humana Gold Plus HMO o Humana Gold Plus HMO-SNP o Humana Medicare HMO del Patrono

Este directorio está actualizado a partir del 11/10/2016.

Este directorio proporciona una lista de los proveedores de la red de Humana Gold Plus o Humana Medicare HMO del Patrono.

Este directorio contiene proveedores en los siguientes estados, condados, parroquias o municipalidades:
NV:Clark, Nye

Algunos proveedores de la red pueden haber sido agregados o suprimidos de nuestra red después de que se imprimiera este directorio. No garantizamos que los proveedores todavía estén aceptando nuevos afiliados.

Introducción

Este directorio proporciona una lista de los proveedores de la red de Humana Gold Plus o Humana Medicare HMO del Patrono. Para obtener información detallada acerca de su servicios de atención médica, consulte su Evidencia de Cobertura.

Tendrá que elegir a uno de los proveedores de nuestra red que estén en este directorio como su médico de atención primaria (PCP). El término "PCP" se utilizará bastante en este directorio. Por lo general, usted deberá recibir su servicios de atención médica a través de su PCP.

Cómo aprovechar al máximo su red

Los "proveedores de la red" que están en este directorio han aceptado proporcionarle sus servicios de atención médica. Puede visitar a cualquiera de los proveedores de nuestra red que están en este directorio, pero es posible que algunos de los servicios requieran un referido. Si usted ha estado viendo a un proveedor de la red, no es obligatorio que siga viendo al mismo proveedor.

Si usted utiliza proveedores fuera de la red para su atención de rutina, ni Medicare ni Humana serán responsables por los costos.

Si su plan tiene proveedores con costo compartido preferido como parte de los beneficios, consulte la Evidencia de Cobertura para más información sobre el costo compartido de cada nivel.

Qué debe hacer en caso de recibir facturas de proveedores fuera de la red y que usted cree que deberían ser canceladas por Humana Gold Plus o Humana Medicare HMO del Patrono.

Nosotros cubrimos ciertos servicios de atención médica que usted reciba de proveedores fuera de la red. Entre estos se encuentran atención que usted reciba en una emergencia médica, atención que se necesite con urgencia, servicios de diálisis renal (riñón) que usted reciba fuera del área de servicio del plan, atención que haya sido aprobada con anticipación por el plan, y servicios cuya cobertura haya sido ordenada a través de un proceso de apelación. Si un proveedor fuera de la red le pide pagar por servicios cubiertos que usted reciba en alguno de estos casos, llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás). O envíe la(s) factura(s) con una nota explicando la situación a:

**Humana Claims Office
P.O. Box 94017
Las Vegas, NV 89193-5638**

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare. Pídale al proveedor fuera de la red que antes nos envíe una factura. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, en caso de que sea necesario.

Si tiene una emergencia, nosotros hablaremos con los médicos que le están proporcionando la atención de emergencia para ayudar a manejar y hacer el seguimiento de su atención. Los médicos que le están proporcionando la atención de emergencia decidirán cuándo su estado es estable y que la emergencia médica ha terminado.

Después de que la emergencia haya terminado usted tiene derecho a recibir atención de control posterior para asegurarse de que su estado continúe estable. Nuestro plan cubrirá su atención de control posterior. Si su atención de emergencia es proporcionada por proveedores fuera de la red, nosotros intentaremos coordinar para que proveedores de la red se encarguen de su atención tan pronto como lo permitan las circunstancias y su afección médica.

Supongamos que usted se encuentra temporalmente fuera del área de servicio del plan, pero dentro de los Estados Unidos o sus territorios. Si necesita atención médica de urgencia, es posible que no pueda encontrar o conseguir a uno de los proveedores de la red de nuestro plan. En este caso (cuando usted se encuentra fuera del área de servicio y no puede obtener atención de proveedores de la red), nuestro plan cubrirá la atención que se necesita con urgencia que usted reciba de cualquier proveedor.

Nuestro plan no cubre atención médica que se necesita con urgencia ni ninguna otra atención que no sea de emergencia si usted la recibe fuera de los Estados Unidos o sus territorios.

Si usted recibe atención de emergencia en un hospital fuera de la red y necesita atención como paciente interno después de que su afección de emergencia se estabiliza, debe regresar a un hospital de la red para que su atención continúe estando cubierto O debe recibir su atención como paciente interno en el hospital fuera de la red autorizado por el plan y su costo es el costo compartido que usted pagaría en un hospital de la red.

Obtener atención de especialistas

Cuando su PCP cree que usted necesita tratamiento especializado, él o ella podrá darle un "referido" (aprobación anticipada) para ver a un especialista de la red. Para ciertos tipos de referidos a especialistas del plan, su PCP deberá obtener una aprobación del plan con anticipación. Esto se llama "autorización previa".

Es muy importante obtener un referido de su PCP antes de ver a un especialista de la red. No obstante, usted no necesita obtener un referido para recibir ciertos servicios, consulte la sección a continuación que se trata de "Autorreferidos". Si usted no obtiene un referido antes de recibir los servicios de un especialista, es posible que usted mismo deba pagar por dichos servicios. Si el especialista desea que usted regrese para hacerle control posterior, asegúrese de revisar el referido original para ver si éste se encuentra incluido.

Cada PCP podrá tener especialistas de la red que él/ella usa para hacer sus referidos. Esto significa que los especialistas de Humana Gold Plus o Humana Medicare HMO del Patrono que usted puede utilizar pueden depender de la persona que usted elija como su PCP. Si hay algún especialista en particular que usted desea consultar, verifique si su PCP hace referidos de pacientes a dicho especialista. Puede cambiar su PCP en cualquier momento si desea consultar a un especialista de la red que su PCP actual no tiene en su listado de referidos. Para obtener información acerca de cómo cambiar de PCP, consulte su Evidencia de Cobertura. Si hay algún hospital en particular que usted desea utilizar, verifique si su PCP utiliza dicho hospital.

Al elegir a un médico para los exámenes para el bienestar femenino, consulte la sección de Especialistas en el directorio de proveedores para obtener una lista de Obstetras/Ginecólogos.

Salud mental

Para los servicios de salud mental o de tratamiento de abusos de sustancias, usted o su médico o asesor debe llamar a Harmony Health para la autorización. Llame al 1-702-251-8000 (TTY: 711). Nuestro horario es de lunes a viernes, de 8:00 a.m. a 5:30 p.m., hora estándar del Pacífico. Para obtener información adicional, visite **Humana.com** o llame al número de teléfono que aparece en su tarjeta de identificación del plan.

Servicios de trasplante

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para los servicios relacionados con los trasplantes, llame al 1-866-421-5663 (TTY: 1-800-336-6709). Nuestro horario es de lunes a viernes, de 8:30 a.m. a 5:00 p.m.

Humana Fitness

No todos los planes Medicare Advantage ofrecen un beneficio de acondicionamiento físico. Para obtener información sobre los contactos y beneficios de acondicionamiento físico consulte su Evidencia de Cobertura.

Proveedores de atención de la vista

Si usted es afiliado de Humana Medicare HMO del Patrono, los proveedores de atención de la vista pueden variar. Para obtener más información acerca de los proveedores disponibles en su área, comuníquese con su Administrador de beneficios.

Autorreferidos

En algunos casos, usted puede recibir cobertura para los servicios enumerados a continuación sin necesidad de que su PCP le dé un referido o aprobación anticipada. "**Autorreferido**" significa que usted puede recibir los servicios sin referido de médicos de la red.

Los siguientes servicios pueden ser de autorreferido:

- Servicios de emergencia, independientemente de si los recibe de proveedores del plan o de proveedores fuera de la red.
 - Atención que se necesita con urgencia que usted reciba de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan.
 - Servicios de diálisis renal (riñón) que usted recibe cuando se encuentra temporalmente fuera del área de servicio del plan.
 - Todos los servicios preventivos cubiertos por Medicare siempre y cuando los reciba de un proveedor de la red. Estos beneficios están en la tabla de beneficios del Capítulo 4 de su Evidencia de Cobertura (EOC).
-

Servicios hospitalarios

La presencia de hospitales en este directorio no siempre garantiza que usted será referido a un hospital en particular. Es posible que su médico no conceda admisiones a todos los hospitales de la red. Consulte a su médico actual o potencial para determinar los hospitales con quienes él/ella está asociado. No obstante, las hospitalizaciones como paciente interno, salvo en casos de emergencia o de atención que se necesita con urgencia, requerirán nuestra autorización previa.

Programa de hospitalistas

Si su PCP participa en el Programa de hospitalistas, y usted es admitido al hospital, todos los aspectos de su atención serán dirigidos y coordinados activamente por un médico de tiempo completo especialmente capacitado para la atención médica de pacientes internos. El médico se conoce como hospitalista y es contratado de manera independiente y tiene certificación en su especialidad o reúne los requisitos necesarios para su certificación por la Junta Americana de Medicina Interna.

Un coordinador de administración de casos, otro miembro del equipo de hospitalistas, es un/a enfermero/a con licencia capacitado/a en la administración de atención de pacientes. Él o ella coordina todas las necesidades y los servicios (como los análisis de laboratorio, radiografías, consultas y mucho más) con el médico hospitalista.

Su médico hospitalista y coordinador de administración de casos darán informes regulares sobre su estado y progreso a su PCP. También podrán programar una cita de control posterior con su PCP.

Las "farmacias de la red" que están en este directorio han aceptado proporcionarle su servicios de medicamentos recetados. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluyendo cómo obtener sus medicamentos recetados, revise la Evidencia de Cobertura y la Guía de Medicamentos Recetados de Humana. Puede visitar a cualquiera de las farmacias de nuestra red que están en este directorio. En la mayoría de los casos, sus medicamentos recetados están cubiertos por Humana Gold Plus o Humana Medicare HMO del Patrono sólo si se obtienen en farmacias de la red, o a través de nuestro servicio de farmacia de envío por correo. Una vez que visite una farmacia, no se le exige que continúe visitando la misma farmacia para obtener sus medicamentos recetados. Puede ir a cualquiera de nuestras farmacias de la red. Bajo ciertas circunstancias cubriremos medicamentos recetados obtenidos en farmacias que no pertenecen a la red, según se describe en su Evidencia de Cobertura.

Es posible que se produzcan cambios en nuestra red de farmacias durante el año de beneficios. Puede consultar el Directorio de Farmacias actualizado en nuestro sitio Web en **Humana.com**. Farmacias de envío por correo

Las farmacias de envío por correo con costos compartidos preferidos son farmacias de la red de Humana con las que Humana ha negociado un costo compartido inferior que con las farmacias de envío por correo con costos compartidos estándar para sus afiliados del plan por medicamentos recetados cubiertos. Sin embargo, usted aún tendrá acceso a precios de medicamentos más bajos en farmacias de envío por correo con costos compartidos estándar que en farmacias de envío por correo fuera de la red. Usted puede ir a cualquiera de estos tipos de farmacias de envío por correo de la red para recibir sus medicamentos recetados cubiertos.

Si su plan no tiene beneficios de farmacias de envío por correo con costos compartidos estándar y preferidos, puede utilizar cualquier farmacia de envío por correo en la lista.

Puede recibir medicamentos recetados enviados a su domicilio a través del servicio de envío por correo de nuestra red. Por lo general, puede esperar recibir sus medicamentos recetados de 7 a 10 días para suministros adicionales y de 10 a 14 días para nuevas recetas desde el momento en que la farmacia de envío por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este tiempo, contacte el departamento de Atención al Cliente (consulte la portada y la contraportada para más detalles).

Para obtener suministros adicionales de medicamentos por correo, comuníquese con nosotros 14 días antes del momento en que cree que se le acabarán los medicamentos, para asegurar que el pedido por correo se envíe a tiempo.

Si usted está afiliado a un Programa Estatal de Asistencia Farmacéutica calificado, póngase en contacto con el programa para verificar que la farmacia de envío por correo coordina con dicho programa.

Cómo obtener medicamentos recetados fuera de la red

Por lo general, sólo cubrimos medicamentos obtenidos en una farmacia fuera de la red en circunstancias limitadas y fuera de rutina, cuando no hay disponible una farmacia de la red. **Antes de obtener sus medicamentos recetados en estas situaciones, llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) para verificar si hay una farmacia de la red en su área donde pueda obtener sus medicamentos recetados.** Si usted va a una farmacia fuera de la red, es posible que deba pagar la totalidad del costo (en lugar de pagar sólo su copago) cuando obtenga su medicamento recetado. Puede solicitarnos que le reembolsemos nuestra parte del costo enviándonos un formulario de reclamación.

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, usted puede pagar más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es más alto del que cobraría una farmacia de la red. Debería enviarnos una reclamación si obtiene un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que pague le ayudará a calificar para la cobertura catastrófica. Para aprender cómo se envía una reclamación en papel, consulte a continuación: "Cómo enviar una reclamación de farmacia en papel".

No podemos pagar por medicamentos recetados que sean despachados por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.

Cómo enviar una reclamación de farmacia en papel

Cuando usted va a una farmacia de la red, ésta nos envía automáticamente su reclamación. No obstante, si usted va a una farmacia fuera de la red, es posible que la farmacia no nos pueda enviar la reclamación directamente. Cuando eso sucede, es posible que usted necesite pagar el costo total de su medicamento recetado. Al regresar a casa, simplemente debe enviar su reclamación en papel y su recibo desglosado a la siguiente dirección:

**Humana Claims Office
P.O. Box 14140
Lexington, KY 40512-4140**

Una vez recibida la reclamación, tomaremos una determinación de servicios inicial sobre la reclamación. Consulte su Evidencia de Cobertura o llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás) para obtener más información sobre las determinaciones de servicios iniciales.
