*The Go365 status will be reviewed on the first day of the ninth month of the Go365/medical plan year to determine the premium discount. If Go365 and the medical plan have different effective dates, the discount will be calculated based upon the first day of the ninth month of the Go365 plan year. In Louisiana, a review will be conducted on the first day of the eighth month of insurance coverage to determine the discount for the following year.

Terms and Conditions:

Humana offers annual premium discounts to fully insured (FI) medical groups with 100 or more eligible employees. The Wellness Premium Discount is based upon engaged status, as determined by the wellness rewards program offered in conjunction with the group's Humana medical coverage ("Wellness Rewards Program").

To be eligible for the Wellness Premium Discount, the group must renew its Humana medical coverage and have 100 or more eligible employees at all times during the year that is immediately prior to renewal.

The Wellness Premium Discount will be included in Humana's standard actuarial formula, which is used to develop the group's renewal premium.

The Wellness Premium Discount may not be combined with any discount program, such as Humana Total Health. Wellness engagement percentages achieved under a Total Health Participation Agreement are ineligible for use in calculating the Wellness Premium Discount.

A minimum of 10 percent of the active covered employees and active covered retirees (excluding those employees covered under COBRA) must attain a Wellness Rewards Program engaged status by the first day of the ninth month* of the year immediately prior to renewal in order for the group to earn a premium discount.

The Wellness Premium Discount applies at the group level so that the same discount will apply to all medical coverages offered by the group.

The cumulative premium discount for any group can grow to a maximum of 10 percent over the lifetime of maintaining active, uninterrupted Humana group medical coverage, and progress toward the maximum will be determined at time of renewal by Humana.

The Wellness Premium Discount will be applied based on the number of active covered employees and active covered retirees (excluding those employees covered under COBRA) who reach a Wellness Rewards Program engaged status on the first day of the ninth month* of the year immediately prior to renewal.

The Wellness Premium Discount is only available while the Wellness Rewards Program is offered and both are subject to modification, replacement or termination at any time.

For groups that request a renewal prior to the first day of the ninth month, the Wellness Premium Discount will be applied based on Engaged Subscribers as of the date the renewal is issued by Humana and no additional Wellness Premium Discount will be provided in the group's renewal premium.
