Effective immediately: Information regarding a change to covered service

The following information provides clarification for health care providers regarding respite care coverage.

Services that Humana Gold Plus Integrated does not cover

Effective Jan. 1, 2016, 10 additional days of respite care (up to 240 hours) is no longer included as a supplemental benefit.

Humana Gold Plus Integrated Respite Care benefit coverage effective Jan. 1, 2016:

Health need or problem	Service member may need	Member costs for in-network	Limitations, exceptions and benefit information (rules about benefits)
Member caregiver needs some time off	Respite care	\$0 copayment	Preauthorization and referral may be required. May receive up to 480 hours per year**. Waiver may be required.

***The member must contribute toward the cost of this service when the member's income exceeds an allowable amount. This contribution, known as the patient pay amount, is required if the member lives in a nursing facility or receives services through the elderly or disabled with consumer direction (EDCD) waiver.*
