## **SECTION V-COORDINATION WITH OTHER BENEFITS**

### **1. APPLICABILITY.**

This Coordination With Other Benefits provision applies to This Plan when You or Your covered dependents have vision care coverage under more than one Plan. For the purposes of this section only, "Plan" and "This Plan" are defined below. If this provision applies, the Order of Benefit Determination Rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan: (a) will not be reduced when, under the Order of Benefit Determination Rules, This Plan determines its benefits before another Plan; but (b) may be reduced when, under the Order of Benefit Determination Rules, another Plan determines its benefits first. The above reduction is described in Section 4, Effect on the Benefits of This Plan.

### **2. DEFINITIONS.**

A "Plan" is any group insurance or group type insurance, whether insured or uninsured, which provides benefits for, or because of, vision care or treatment. This also includes 1) group or group-type coverage through HMOs and other prepayment, group practice and individual practice plans; and 2) group coverage under labor-management trustees plans, union welfare plans, employer organization plans, employee benefit organization plans or self insured employee benefit plans. It does not include school accident type coverages, coverage under any governmental plan required or provided by law, or any state plan under Medicaid. Each contract or other arrangement for coverage is a separate Plan. Also, if an arrangement has two parts and coordination applies only to one of the two, each of the parts is a separate Plan.

"This Plan" means this Policy.

"Primary Plan"/"Secondary Plan". The Order of Benefit Determination Rules state whether This Plan is a Primary Plan or Secondary Plan as to another Plan covering the person. When This Plan is a Primary Plan, its benefits are determined before those of the other Plan and without considering the other Plan's benefits. When This Plan is a Secondary Plan, its benefits are determined after those of the other Plan and may be reduced because of the other Plan's benefits. When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more other Plans, and may be a Secondary Plan as to a different Plan or Plans.

"Allowable Expenses" means the allowed amount as shown in the Schedule of Benefits.

"Claim Determination Period" means a benefit year. However it does not include any part of a year during which a person has no coverage under This Plan, or any part of a year before the date this provision or a similar provision takes effect.

### 3. ORDER OF BENEFIT DETERMINATION RULES.

This Plan determines its order of benefits using the first of the following rules which applies:

- (a) The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan which covers the person as a dependent; except that if the person is also a Medicare beneficiary, Medicare is secondary to the Plan covering the person as a dependent and primary to the Plan covering the person as other than a dependent, then the benefits of the Plan covering the person as a dependent are determined before those of the Plan covering that person as other than a dependent. Except in the case of legal separation or divorce (further described below), when This Plan and another Plan cover the same child as a dependent of different persons, called "parents":
  - (1) the benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year; but
  - (2) if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time. However, if the other Plan does not have the rule described immediately above, and if, as a result, the Plans do not agree on the Order of Benefits, the rule in the other Plan will determine the order of benefits.
- (b) If two or more Plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order: (1) first, the Plan of the parent with custody of the child; (2) then, the Plan of the spouse of the parent with custody of the child; and (3) finally, the Plan of the parent not having custody of the child. However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or Plan Year during which any benefits are actually paid or provided before the entity has that actual knowledge.
- (c) The benefits of a Plan which covers a person as an employee who is neither laid off, retired or continuing coverage under a right of continuation (or as a dependent of the person) are determined before those of a Plan which covers that person as a laid off, retired or continuing coverage (or as a dependent of that person). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the Order of Benefits, this rule is ignored.
- (d) If none of the above rules determines the Order of Benefits, the benefits of the Plan which covered an employee, member, or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

### 4. EFFECT ON THE BENEFITS OF THIS PLAN.

This section applies when, in accordance with Section 3. Order of Benefit Determination Rules, This Plan is a Secondary Plan to one or more other Plans. In the event the benefits of This Plan may be reduced under this section. Such other Plan or Plans are referred to as "the Other Plans".

The benefits of This Plan will be reduced when the sum of: (a) the benefits that would be payable for the Allowable Expenses under This Plan in the absence of this provision; and (b) the benefits that would be payable for the Allowable Expenses under the other plans, in the absence of provisions with a purpose like that of this provision, whether or not claim is made; exceeds those Allowable in a Claim Determination Period. In that case, the benefits of This Plan will be reduced so that they and the benefits payable under the Other Plans do not total more than those Allowable Expenses. When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

### 5. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION.

Certain facts are needed to apply these rules. Humana has the right to decide which facts are needed. Humana may get needed facts from, or give them to, any other organization or person. Humana need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Humana any facts deemed necessary to pay the claim.

## 6. FACILITY OF PAYMENT.

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, Humana may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. Humana will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case, "payment made" means reasonable cash value of the benefits provided in the form of services.

## 7. ERRORS RELATED TO YOUR COVERAGE.

The Plan has the right to correct benefit payments made in error. Providers and/or You have the responsibility to return any overpayments to the Plan. The Plan has the responsibility to make additional payment if any underpayments have been made.

## **SECTION VI-PREMIUMS**

**Premium Payments** - You must pay the required premium to Us as it becomes due. Failure to do so will result in termination of coverage.

The first premium is due on the Effective Date. Subsequent premiums are due on the first day of each premium period. Premium period means monthly or annually, as selected by You. All premiums are payable to Us at Our address.

**Grace Periods** - A grace period of 31 days is allowed for payment of each premium due after the first premium, during such grace period Your coverage under the Policy shall continue in force, unless You have given written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the Policy. We will charge a pro-rata premium for the time Your coverage under the Policy remained in force during such grace period.

**Change in Premiums** - Premiums are payable to Humana or Our authorized agent. We reserve the right to change premiums under the Policy on any premium due date by giving You not less than 60 days prior written notice.

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

**Legal Action** - No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

## **SECTION IX-GENERAL PROVISIONS**

**Representations and Warranties** - All statements made by any Insured or the Policyholder are deemed representations and not warranties. No statement made by any Insured may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to You, or in the event of Your death or incapacity, Your beneficiary or personal representative.

**Worker's Compensation Act** - The coverage under the Policy is not in lieu of and does not affect any requirement for coverage by any Worker's Compensation Act, or other similar legislation.

**Conformity with State Statutes** - Any provision of the Policy which, on its effective date, is in conflict with the statutes of the state in which the Insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

**Notice of Independent Contractor Relationship** -Network Providers are independent contractors, and We cannot be held responsible for any damages incurred as a result of tort, negligence, breach of contract, or malpractice by a Network Provider for any damages which result from any defective or dangerous condition in or about any facility in which services are rendered or from any Materials provided by a Network Provider.

Nothing contained in the Policy or any agreement or reimbursement document shall, nor is it intended to, interfere with communication between the Insured and the Insured's vision providers regarding the Insured's condition or treatment options. When ordering services or Materials, vision providers and other providers are acting on the Insured's behalf. All decisions related to an Insured's care are the responsibility of the Insured and the treating provider, regardless of any coverage determination(s) We have made or will make. We are not responsible for any misstatement made by any provider with regard to the scope of covered expenses and/or non-covered expenses under the Policy and Your Certificate.

**Modification of Policy** - The Policy may be modified at any time by agreement between Us and the Policyholder without the consent of any Insured. Modifications will not be valid unless approved by Our president, vice president, secretary or other authorized officer. The approval must be endorsed on, or attached to the Policy. No agent has the authority to modify the Policy, waive any of the Policy provisions, extend the time for premium payment, make or alter any contract, or waive any of the Company's other rights or responsibilities. The Policy may be modified by Us at anytime without prior consent of, or notice to, the Policyholder when the changes are: 1) allowed by state or federal law or regulation; 2) directed by the state agency that regulates insurance; 3) benefit increases that do not impact premium; or 4) corrections of clerical errors or clarifications that do not reduce benefits. Modifications due to other reasons may be made by Us upon renewal of the Policy in accordance with applicable state and federal law. The Policyholder and You will be notified in writing or electronically at least (31) days prior to the effective date of such changes.
