

# Humana Enhanced Humana Preferred Rx Plan

Important information about access to preferred cost-share retail pharmacy locations.

With the Humana Enhanced plan or the Humana Preferred Rx Plan, your copays will be lower when you fill your prescriptions at network retail pharmacies that have preferred cost-sharing. These locations include:

- Walmart
- Sam's Club<sup>1</sup>
- Walmart Neighborhood Market
- Walgreens

While you can use other pharmacies in the network, you may pay more for drugs at locations other than the ones listed above. If you live in one of the states in the table below, you can still enroll in the Humana Enhanced plan or the Humana Preferred Rx Plan. However, you may not have a retail pharmacy with preferred cost-sharing close to you, and taking advantage of these savings may not be convenient for you.
