Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan Pharmacy Directory

Section 1 - Introduction

This directory was updated on 12/05/2018.

This directory provides a list of Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan network pharmacies. We may also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. For more information please contact us at the numbers on the front and back cover.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Humana Prescription Drug Guide.

This document is available in other formats such as Braille and large print. Contact Customer Care for more information.

How to get the most out of your network

The "network pharmacies" listed in this directory have agreed to provide you with your prescription coverage. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan only if they are filled at a network pharmacy, or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please contact us. Our contact information appears on the front and back cover.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with three asterisks (***) to distinguish them from other pharmacies in our network that offer standard cost-sharing. Not all plans offer preferred cost-sharing. Please refer to your Evidence of Coverage (EOC) for more information.

Humana's pharmacy network offers limited access to pharmacies with preferred cost sharing in urban areas of AL, CA, CT, DC, DE, GA, IA, IL, IN, KY, MA, MD, ME, MI, MN, MO, MS, MT, NC, ND, NE, NH, NJ, NY, OH, OR, PA, RI, SC, SD, TN, VA, VT, WA, WI, WV, WY; suburban areas of AZ, CA, CT, DC, DE, HI, IA, IL, IN, MA, MD, ME, MI, MN, MO, MT, ND, NH, NE, NJ, NY, OH, OR, PA, PR, RI, SD, VT, WA, WV, WY; and rural areas of AK, IA, MN, MT, ND, NE, SD, VT, WY. There are an extremely limited number of preferred cost share pharmacies in urban areas in the following states: CT, DE, MA, MD, ME, MI, MN, MS, NC, ND, NY, OH, RI, SC, VT, and WA; suburban areas of: MT and ND; and rural areas of: ND. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including pharmacies with preferred cost sharing, please call Customer Care at 1-800-281-6918 (TTY: 711) or consult the online pharmacy directory at **Humana.com**.

How do you find network pharmacies in your area?

Pharmacies are listed in this directory by type, then by state, followed by county, parish or municipality. Within each county, parish or municipality, the cities and then each pharmacy is shown alphabetically.

Section 2 - Network Pharmacies

Mail-Order Pharmacies

Pharmacies with preferred mail order cost-sharing are pharmacies in Humana's network in which Humana has negotiated lower cost-sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail-order cost-sharing than at out-of-network mail-order pharmacies. You may go to either of these types of network mail-order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred and standard mail-order cost-sharing pharmacy benefits, you may use any mail-order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs from 5 to 7 days for refills and 7 to 10 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Care (details on front and back covers).

To refill your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

If you are a member of a qualified State Pharmaceutical Assistance Program, please contact the program to verify that the mail-order pharmacy will coordinate with that program.

Are home infusion pharmacies part of the pharmacy network?

Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan will cover infusion therapy drugs if:

- Your prescription drug is on your Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan formulary, or you have a formulary exception;
 - Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan has approved your prescription drug for home infusion therapy; and
 - Your prescription is written by an authorized prescriber.
-

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Humana Enhanced PDP or Humana Medicare Employer Prescription Drug Plan pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Directorio de farmacias de Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono

Sección 1 - Introducción

Este directorio se actualizó el 12/05/2018.

Este directorio proporciona una lista de farmacias de la red de Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono. También es posible que incluyamos farmacias que están en nuestra red, pero están fuera del área de servicio en la cual usted vive. Usted también puede surtir sus medicamentos recetados en estas farmacias. Para obtener más información, contáctenos a los números que aparecen en la portada y la contraportada.

Para obtener una descripción completa de su cobertura para medicamentos recetados, incluyendo cómo surtir sus medicamentos recetados, revise la Evidencia de cobertura y la Guía de Medicamentos Recetados de Humana.

Este documento está disponible en otros formatos como Braille y letra grande. Contacte a Atención al cliente para obtener más información.

Cómo aprovechar al máximo su red

Las "farmacias de la red" enumeradas en este directorio han aceptado proporcionarle su cobertura para medicamentos recetados. Puede ir a cualquiera de las farmacias de nuestra red que aparecen en este directorio. En la mayoría de los casos, los medicamentos recetados están cubiertos por Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono únicamente si las recetas se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no se le exige que continúe yendo a la misma farmacia para surtir sus medicamentos recetados, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Bajo ciertas circunstancias, surtiremos medicamentos recetados en farmacias que no pertenecen a la red, según se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Tal vez se hayan añadido o eliminado farmacias de la lista después de la impresión de este directorio. Esto significa que las farmacias enumeradas aquí podrían ya no formar parte de nuestra red, o podría haber farmacias nuevas en nuestra red que no han sido incluidas. Para obtener la lista más actualizada, por favor contáctenos. Nuestra información de contacto aparece en la portada y la contraportada.

Puede ir a todas las farmacias de esta lista, pero sus costos por algunos medicamentos podrían ser menores en las farmacias de esta lista que ofrecen costos compartidos preferidos. Hemos marcado estas farmacias con tres asteriscos (***) para distinguirlas de las demás farmacias en nuestra red que ofrecen costos compartidos estándares. No todos los planes ofrecen costos compartidos preferidos. Consulte su Evidencia de cobertura (EOC, por sus siglas en inglés) para obtener más información.

La red de farmacias de Humana ofrece acceso limitado a farmacias con costos compartidos preferidos en las áreas urbanas de AL, CA, CT, DC, DE, GA, IA, IL, IN, KY, MA, MD, ME, MI, MN, MO, MS, MT, NC, ND, NE, NH, NJ, NY, OH, OR, PA, RI, SC, SD, TN, VA, VT, WA, WI, WV; WY; las áreas suburbanas de AZ, CA, CT, DC, DE, HI, IA, IL, IN, MA, MD, ME, MI, MN, MO, MT, ND, NH, NE, NJ, NY, OH, OR, PA, PR, RI, SD, VT, WA, WV, WY; y las áreas rurales de AK, IA, MN, MT, ND, NE, SD, VT, WY. Hay un número muy reducido de farmacias con costos compartidos preferidos en las áreas urbanas de los siguientes estados: CT, DE, MA, MD, ME, MI, MN, MS, NC, ND, NY, OH, RI, SC, VT y WA las áreas suburbanas de: MT y ND, y las áreas rurales de: ND. Es posible que los costos menores anunciados en los materiales de nuestro plan para estas farmacias no estén disponibles en la farmacia que usted usa. Si desea información actualizada sobre las farmacias de nuestra red, incluidas las farmacias con costos compartidos preferidos, llame a Atención al cliente al 1-800-281-6918 (TTY: 711) o consulte el directorio de farmacias en línea en **espanol.humana.com**.

¿Cómo puede encontrar farmacias de la red en su área?

Las farmacias se enumeran en este directorio por tipo, luego por estado, y por condado, parroquia o municipio. Dentro de cada condado, parroquia o municipalidad, las ciudades y luego cada farmacia se muestran por orden alfabético.

Sección 2 – Farmacias de la red

Farmacias de pedido por correo

Las farmacias de pedido por correo con costos compartidos preferidos son farmacias de la red de Humana con las cuales Humana ha negociado costos compartidos inferiores a los de las farmacias de pedido por correo con costos compartidos estándares para los afiliados del plan para medicamentos recetados cubiertos. Sin embargo, usted aún tendrá acceso a precios de medicamentos más bajos en farmacias de pedido por correo con costos compartidos estándares que en farmacias de pedido por correo fuera de la red. Usted puede ir a cualquiera de estos tipos de farmacias de pedido por correo de la red para recibir sus medicamentos recetados cubiertos.

Si su plan no tiene beneficios de farmacias de pedido por correo con costos compartidos estándares y preferidos, puede utilizar cualquier farmacia de pedido por correo en la lista.

Puede recibir los medicamentos recetados en su hogar a través del programa de envío de pedidos por correo de la red. Por lo general, puede esperar recibir sus medicamentos recetados de 5 a 7 días para repeticiones y de 7 a 10 días para nuevas recetas desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este tiempo, contacte a Atención al cliente (detalles aparecen en la portada y contraportada).

Para repetir sus recetas de pedido por correo, contáctenos 14 días antes del momento en que cree que se le acabarán los medicamentos, para asegurarse de que se le envíe a tiempo el próximo pedido.

Si está afiliado a un Programa estatal de asistencia farmacéutica acreditado, contacte al programa para verificar que la farmacia de pedido por correo coordinará su servicio con ese programa.

¿Forman parte de la red de farmacias las farmacias de infusión en el hogar?

Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono cubrirá los medicamentos para terapia de infusión si:

- Su medicamento recetado aparece en su formulario de Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono, o si cuenta con una excepción al formulario;
- Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono ha aprobado su medicamento recetado para terapia de infusión en el hogar, y
- Su medicamento ha sido recetado por una persona autorizada.

¿Forman parte de la red de farmacias las farmacias de cuidado a largo plazo?

Los residentes de un centro de cuidado a largo plazo pueden tener acceso a sus medicamentos recetados cubiertos por Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono a través de la farmacia de cuidado a largo plazo del centro u otra farmacia de cuidado a largo plazo de la red.

¿Forman parte de la red de farmacias las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U)?

Solo los indios americanos y los nativos de Alaska tienen acceso a las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U) a través de la red de farmacias de Humana Enhanced PDP o Plan Humana Medicare PDP del Patrono. Aquellos que no sean indios americanos y nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

¿Qué son las farmacias con médicos que despachan medicamentos?

Son médicos o clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

Si tiene preguntas acerca de lo señalado anteriormente, consulte la portada y la contraportada de este directorio para obtener información acerca de cómo contactarnos.
