Introduction

This directory provides a list of HumanaChoice PPO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

How to get the most out of your network

As a HumanaChoice PPO member, you may have to choose one of our network providers who are listed in this directory to act as your Primary Care Provider (PCP). A PCP can provide much of your care. He or she can help ensure you get preventive care, provide timely access to services and coordinate with other doctors if needed. This helps you improve and manage your health. And you don't need a referral to see another doctor.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. With some plans, your network physician must call Customer Care for prior authorization of all non-emergency and non-urgent network hospital admissions in order for services to be covered. Please refer to your Evidence of Coverage.

Out-of-network providers are under no obligation to treat HumanaChoice PPO enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Care number (details on the front and back cover). You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

You may get covered services from out-of-network providers. If you use out-of-network providers, your out-of-pocket costs may be higher except in emergencies or urgent care situations. In some cases where coinsurance is the same for services received both in and out-of-network, you may still pay more out-of-network. This occurs when the out-of-network provider bills the Medicare allowed charge, and the in-network contracted amount would have been lower. To get more information, please see your Evidence of Coverage or call Customer Care (details on front and back cover).

Be sure to contact out-of-network doctors before you see them to make sure they accept Medicare assignment.

If your plan has providers with preferred cost-sharing as part of its benefits, please refer to the Evidence of Coverage for more information on the cost-sharing for each tier.

What you should do if you have bills from out-of-network providers that you think should be paid by HumanaChoice PPO.

If an out-of-network provider asks you to pay for covered services, please call Customer Care (details on front and back cover). Or send the bill(s) with a note explaining the situation to:

**Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601**

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Suppose that you are temporarily outside the plan's service area, but still in the United States and territories. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and cannot get care from network providers), our plan will cover urgently needed care that you get from any provider.

Our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States and territories.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

Hospitalist Program

If your Physician participates in the Hospitalist Program, and you are admitted to the hospital, all aspects of your care will be actively directed and coordinated by a full time physician specially trained in inpatient care. The physician is referred to as a hospitalist and is independently contracted and board-certified or eligible for board certification by the American Board of Internal Medicine.

A case management coordinator, another member of the hospitalist team, is a licensed nurse trained in patient care management. He or she coordinates your needs and services (such as lab work, X-rays, consultations and more) with the hospitalist physician.

Your hospitalist physician and case management coordinator will report your condition and progress to your Physician regularly. They may also schedule a follow-up appointment with your Physician.

How do you find HumanaChoice PPO network providers in your area?

Providers are listed in this directory by the type of provider. Within each provider type, providers are listed alphabetically by state, and then by county, parish or municipality.

Some of our network providers may also be Medicaid certified. Please contact the provider's office in advance to verify their status.

If you have questions about HumanaChoice PPO, please call our Customer Care Department (details on front and back cover). You can also visit our website at **Humana.com**.

Network Pharmacies

How to get the most out of your pharmacy network

The "network pharmacies" listed in this directory have agreed to provide you with your prescription coverage. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Humana Prescription Drug Guide. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under HumanaChoice PPO only if they are filled at a network pharmacy, or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list or changed preferred cost-share status after this directory was printed. This means the pharmacies listed may no longer be in our network, or there may be newer pharmacies in our network that are not listed. Pharmacies listed may also have different cost-share status. For the most current list, please contact us. Our contact information appears on the front and back cover.

We may also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. For more information please contact us at the numbers on the front and back cover.

This directory is for the geographic area listed on page 3 which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please see our contact information on the front and back covers.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with three asterisks (***) to distinguish them from other pharmacies in our network that offer standard cost-sharing. Not all plans offer preferred cost-sharing. Please refer to your Evidence of Coverage (EOC) for more information.

Medicare Part B prescription drug coverage

Members with Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network" and "How to submit a paper pharmacy claim" beginning on page 11.

Mail-Order Pharmacies

Pharmacies with preferred mail order cost-sharing are pharmacies in Humana's network in which Humana has negotiated lower cost-sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail-order cost-sharing than at out-of-network mail-order pharmacies. You may go to either of these types of network mail-order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred and standard mail-order cost-sharing pharmacy benefits, you may use any mail-order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs from 5 to 7 days for refills and 7 to 10 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Care (details on front and back covers).

To refill your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

If you are a member of a qualified State Pharmaceutical Assistance Program, please contact the program to verify that the mail-order pharmacy will coordinate with that program.

Are home infusion pharmacies part of the pharmacy network?

HumanaChoice PPO will cover infusion therapy drugs if:

- Your prescription drug is on your HumanaChoice PPO formulary, or you have a formulary exception;
 - HumanaChoice PPO has approved your prescription drug for home infusion therapy; and
 - Your prescription is written by an authorized prescriber.
-

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under HumanaChoice PPO through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through HumanaChoice PPO pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, call Customer Care (details on front and back cover) to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form.

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to "How to submit a paper pharmacy claim" below. **We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.**

How to submit a paper pharmacy claim

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you may need to pay the full cost of your prescription. When you return home, simply submit your paper claim and your itemized receipt to the following address:

**Humana Claims Office
P.O. Box 14140
Lexington, KY 40512-4140**

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Care (details on front and back cover) for more information on initial coverage determinations.

Introducción

Este directorio proporciona una lista de proveedores de la red de HumanaChoice PPO. Para obtener información detallada acerca de su cobertura de cuidado de la salud, consulte su Evidencia de cobertura.

Cómo aprovechar al máximo su red

Como afiliado de HumanaChoice PPO, es posible que tenga que elegir a uno de nuestros proveedores de la red que aparezcan en este directorio para que actúe como su proveedor de cuidado primario (PCP, por sus siglas en inglés). Un PCP puede proporcionarle gran parte de su cuidado médico. Él o ella puede ayudar a garantizar que usted reciba cuidado preventivo, proporcionar acceso oportuno a los servicios y coordinar con otros médicos si es necesario. Esto le ayuda a mejorar y manejar su salud. No necesita un referido para ver a otro médico.

Los proveedores de la red que aparecen en este directorio han aceptado proporcionarle sus servicios de cuidado de la salud. Puede visitar a cualquiera de los proveedores de nuestra red que aparecen en este directorio. Con algunos planes, su médico de la red debe llamar a Atención al cliente para solicitar autorización previa para todas las admisiones a hospitales de la red que no sean de emergencia ni de urgencia, con el fin de que los servicios estén cubiertos. Consulte su Evidencia de cobertura.

Los proveedores fuera de la red no tienen la obligación de tratar a los afiliados de HumanaChoice PPO, excepto en casos de emergencia. Para una decisión acerca de si cubriremos un servicio fuera de la red, lo alentamos a usted o a su proveedor a solicitarnos una determinación de la organización previa al servicio antes de que usted reciba el servicio. Llame a nuestro número de Atención al cliente (los detalles están en la portada y contraportada). También puede consultar la Evidencia de cobertura para obtener más información, incluidos los costos compartidos que se aplican a los servicios fuera de la red.

Usted puede recibir servicios cubiertos de proveedores fuera de la red. Si utiliza los servicios de proveedores fuera de la red, sus gastos de desembolso personal podrían ser superiores, excepto en situaciones de emergencia o que requieran cuidado de urgencia. En algunos casos en que el coseguro es igual por los servicios recibidos tanto dentro como fuera de la red, de todos modos, podría pagar más fuera de la red. Esto ocurre cuando el proveedor fuera de la red factura el cargo permitido por Medicare, y la cantidad contratada dentro de la red hubiese sido más baja. Para obtener más información, consulte su Evidencia de cobertura o llame a Atención al cliente (detalles aparecen en la portada y contraportada).

Asegúrese de contactar a los médicos fuera de la red antes de consultarlos para verificar que acepten las asignaciones de Medicare.

Si su plan tiene proveedores con costos compartidos preferidos como parte de los beneficios, consulte la Evidencia de cobertura para más información sobre los costos compartidos en cada nivel.

Lo que debe hacer si tiene facturas de proveedores fuera de la red que cree que deben ser pagadas por HumanaChoice PPO.

Si un proveedor fuera de la red le pide que pague por servicios cubiertos, llame a Atención al cliente (detalles aparecen en la portada y contraportada). O envíe la(s) factura(s) con una nota que explique la situación a:

**Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601**

Usted nunca debería pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare. Pídale al proveedor fuera de la red que nos envíe una factura primero. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, si la hubiera.

Si tiene una emergencia, hablaremos con los médicos que le proveen cuidado de emergencia para ayudar a coordinar su cuidado médico y realizar el seguimiento posterior del mismo. Los médicos que le proveen cuidado médico de emergencia decidirán el momento en que su condición sea estable y la emergencia médica haya finalizado.

Después de que la emergencia médica haya finalizado, tiene derecho a recibir cuidado de seguimiento para garantizar que su condición siga estable. El plan cubrirá el cuidado de seguimiento. Si recibe cuidado médico de emergencia de proveedores fuera de la red, intentaremos coordinar que proveedores de la red se encarguen de su cuidado médico tan pronto como su afección médica y las circunstancias lo permitan.

Supongamos que se encuentra temporalmente fuera del área de servicio del plan, pero aún dentro de los Estados Unidos y sus territorios. Si necesita cuidado de urgencia, es posible que no pueda encontrar o ir a uno de los proveedores de la red de nuestro plan. En este caso (cuando usted se encuentra fuera del área de servicio y no puede obtener cuidado médico de proveedores de la red), nuestro plan cubrirá el cuidado que se necesita con urgencia que usted reciba de cualquier proveedor.

Nuestro plan no cubre el cuidado que se necesita con urgencia o cualquier otro cuidado médico que no sea de emergencia si recibe el cuidado fuera de los Estados Unidos y sus territorios.

Si usted recibe cuidado en casos de emergencia en un hospital fuera de la red y necesita cuidado de hospitalización después de que se estabilice su afección de emergencia, debe cambiarse a un hospital de la red para poder pagar la cantidad de costos compartidos dentro de la red por la parte de su estadía después de que usted se estabilice. Si usted se queda en el hospital fuera de la red, su estadía estará cubierta, pero usted tendrá que pagar la cantidad de costos compartidos fuera de la red por la parte de su estadía después de que se estabilice.

Programa de hospitalistas

Si su médico participa en el Programa de hospitalistas, y usted es admitido en el hospital, todos los aspectos de su cuidado médico serán dirigidos y coordinados activamente por un médico de tiempo completo especialmente capacitado en cuidado de hospitalización. El médico es denominado como hospitalista, es contratado de manera independiente y es un especialista certificado o reúne los requisitos necesarios para su certificación por la Junta Americana de Medicina Interna.

Un coordinador de administración de casos, otro miembro del equipo de hospitalistas, es un enfermero con licencia capacitado en la coordinación del cuidado de los pacientes. Él o ella coordina sus necesidades y servicios (como los análisis de laboratorio, radiografías, consultas y mucho más) con el médico hospitalista.

Su médico hospitalista y coordinador de administración de casos darán informes regulares sobre su afección y progreso a su médico. También pueden programar una cita de seguimiento con su médico.

Salud mental

Para servicios de salud mental o farmacodependencia, usted, su médico o su terapeuta deben llamar a Beacon Health Options para obtener una autorización. Llame al 1-800-221-5487 (TTY: 711). El horario de atención es de lunes a viernes de 8:30 a.m. a 5:30 p.m., hora del este. Para obtener información adicional, visite **Beaconhealthoptions.com** o llame al de teléfono que aparece en su tarjeta de identificación del plan.

Servicios de trasplante

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para servicios relacionados con trasplantes, llame al 1-866-421-5663, (TTY: 1-800-336-6709). Nuestro horario de atención es de lunes a viernes de 8:30 a.m. a 5:00 p.m.

Farmacias de la red

Cómo aprovechar al máximo su red de farmacias

Las "farmacias de la red" enumeradas en este directorio han aceptado proporcionarle su cobertura para medicamentos recetados. Para obtener una descripción completa de su cobertura para medicamentos recetados, incluyendo cómo surtir sus medicamentos recetados, revise la Evidencia de cobertura y la Guía de medicamentos recetados de Humana. Puede ir a cualquiera de las farmacias de nuestra red que aparecen en este directorio. En la mayoría de los casos, sus medicamentos recetados están cubiertos por HumanaChoice PPO únicamente si las recetas se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no se le exige que continúe yendo a la misma farmacia para surtir sus medicamentos recetados. Puede ir a cualquiera de las farmacias de nuestra red. Bajo ciertas circunstancias, surtiremos medicamentos recetados en farmacias que no pertenecen a la red, según se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Tal vez se hayan añadido o eliminado farmacias de la lista o hayan cambiado su estatus de costos compartidos preferidos después de la impresión de este directorio. Esto significa que las farmacias enumeradas podrían ya no formar parte de nuestra red, o podría haber farmacias nuevas en nuestra red que no han sido incluidas. Las farmacias incluidas también podrían tener un estatus diferente de costos compartidos. Contáctenos para obtener la lista más actualizada. Nuestra información de contacto aparece en la portada y la contraportada.

También es posible que incluyamos farmacias que están en nuestra red, pero están fuera del área de servicio donde usted vive. Usted también puede surtir sus medicamentos recetados en estas farmacias. Para obtener más información, contáctenos a los números que aparecen en la portada y la contraportada.

Este directorio corresponde al área geográfica que aparece en la página 3, que incluye el área donde vive usted. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias donde nuestro Plan puede cubrir sus medicamentos recetados. Para obtener información sobre más farmacias de la red de nuestro plan que no aparecen en este directorio, consulte nuestra información de contacto en la portada y la contraportada.

Puede ir a todas las farmacias de esta lista, pero sus costos por algunos medicamentos podrían ser menores en las farmacias de esta lista que ofrecen costos compartidos preferidos. Hemos marcado estas farmacias con tres asteriscos (***) para distinguirlas de las demás farmacias en nuestra red que ofrecen costos compartidos estándares. No todos los planes ofrecen costos compartidos preferidos. Consulte su Evidencia de cobertura (EOC, por sus siglas en inglés) para obtener más información.

Cobertura para medicamentos recetados de la Parte B de Medicare

Los afiliados que tienen cobertura para medicamentos recetados de la Parte B de Medicare pueden utilizar las farmacias de la red incluidas en este directorio para recibir sus medicamentos aprobados de la Parte B de Medicare. Para recibir más información acerca de cómo recibir los medicamentos de la Parte B de Medicare a través de farmacias fuera de la red, consulte a partir de la página 20 "Cómo surtir medicamentos recetados fuera de la red" y "Cómo enviar una reclamación de farmacia por escrito".

Farmacias de pedido por correo

Las farmacias de pedido por correo con costos compartidos preferidos son farmacias de la red de Humana con las que Humana ha negociado costos compartidos inferiores a los de las farmacias de pedido por correo con costos compartidos estándares para sus afiliados del plan, para medicamentos recetados cubiertos. Sin embargo, usted aún tendrá acceso a precios de medicamentos más bajos en farmacias de pedido por correo con costos compartidos estándares que en farmacias de pedido por correo fuera de la red. Usted puede ir a cualquiera de estos tipos de farmacias de pedido por correo de la red para recibir sus medicamentos recetados cubiertos.

Si su plan no tiene beneficios de farmacias de pedido por correo con costos compartidos estándares y preferidos, puede utilizar cualquier farmacia de pedido por correo en la lista.

Puede recibir los medicamentos recetados en su hogar a través del programa de envío de pedidos por correo de la red. Por lo general, puede esperar recibir sus medicamentos recetados de 5 a 7 días para repeticiones y de 7 a 10 días para nuevas recetas desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este tiempo, contacte a Atención al cliente (detalles aparecen en la portada y contraportada).

Para repetir sus recetas de pedido por correo, contáctenos 14 días antes del momento en que cree que se le acabarán los medicamentos, para asegurarse de que se le envíe a tiempo el próximo pedido.

Si es afiliado de un Programa estatal de asistencia farmacéutica acreditado, contacte al programa para verificar que la farmacia de pedido por correo coordinará su servicio con ese programa.

Las farmacias de infusión en el hogar, ¿forman parte de la red de farmacias?

HumanaChoice PPO cubrirá los medicamentos para terapia de infusión si:

- Su medicamento recetado aparece en su formulario de HumanaChoice PPO, o si cuenta con una excepción al formulario,
 - HumanaChoice PPO ha aprobado su medicamento recetado para terapia de infusión en el hogar, y
 - Su medicamento ha sido recetado por una persona autorizada.
-

Las farmacias de cuidado a largo plazo, ¿forman parte de la red de farmacias?

Los residentes de un centro de cuidado a largo plazo pueden tener acceso a sus medicamentos recetados cubiertos por HumanaChoice PPO a través de la farmacia de cuidado a largo plazo del centro o de otra farmacia de cuidado a largo plazo de la red.

Las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U), ¿forman parte de la red de farmacias?

Solo los indios americanos y los nativos de Alaska tienen acceso a las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U) a través de la red de farmacias de HumanaChoice PPO. Aquellos que no sean indios americanos y nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

¿Qué son las farmacias con médicos que despachan medicamentos?

Son médicos o clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

Cómo surtir medicamentos recetados fuera de la red

Por lo general, solo cubrimos medicamentos surtidos en una farmacia fuera de la red en circunstancias limitadas y no rutinarias, cuando no hay disponible una farmacia de la red. **Antes de surtir su medicamento recetado en estas situaciones, llame a Atención al cliente (detalles aparecen en la portada y contraportada) para verificar si hay una farmacia de la red en su área donde pueda surtir su medicamento recetado.** Si usted va a una farmacia fuera de la red, es posible que deba pagar la totalidad del costo (en lugar de pagar solo su copago) cuando surta su medicamento recetado. Puede solicitarnos que le reembolsemos la parte del costo que nos corresponde enviándonos un formulario de reclamación.

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, puede que usted pague más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es superior al que cobraría una farmacia de la red. Debería enviarnos una reclamación si surte un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que usted pague le ayudará a ser elegible para la cobertura catastrófica. Para aprender cómo se envía una reclamación por escrito, consulte a continuación: "Cómo enviar una reclamación de farmacia por escrito". **No podemos pagar por medicamentos recetados que sean surtidos por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.**

Cómo enviar una reclamación de farmacia por escrito

Cuando usted va a una farmacia de la red, esta nos envía automáticamente su reclamación. Sin embargo, si usted va a una farmacia fuera de la red, la farmacia tal vez no nos pueda enviar directamente la reclamación. Cuando eso sucede, es posible que usted necesite pagar el costo total de su medicamento recetado.
