Introduction

This directory provides a list of Humana Gold Plus HMO or Humana Value Plus HMO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have one of our network providers to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. A listing of Primary Care Providers affiliated with this sub-network is included in this directory. Members are allowed to select a PCP outside of this sub-network. For a full listing of Primary Care Provider, please call Customer Care (details on front and back cover pages) or visit our website at **Humana.com**.

How to get the most out of your network

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. You must use network providers except in emergency, or in an urgently needed care situation, or when you require kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. If you obtain routine care from out-of-network providers, neither Medicare nor Humana Gold Plus will be responsible for the costs.

If your plan has providers with preferred cost-sharing as part of its benefits, please refer to the Evidence of Coverage for more information on the cost-sharing for each tier.

What you should do if you have bills from out-of-network providers that you think should be paid by Humana Gold Plus HMO or Humana Value Plus HMO.

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) services that you get when you are outside the plan's service area, care that has been approved in advance by the plan, and any services which were ordered covered through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Customer Care (details on front and back cover). Or send the bill(s) with a note explaining the situation to:

**You may submit a claim to the address on the back of your ID card or
Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601**

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Suppose that you are temporarily outside the plan's service area, but still in the United States and territories. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and cannot get care from network providers), our plan will cover urgently needed care that you get from any provider.

Our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States and territories.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to a network hospital in order for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

Getting Care from Specialists

When your PCP thinks that you need specialized treatment, he or she may give you a "referral" (approval ahead of time) to see a network specialist. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the plan. This is called "prior authorization".

It is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, see the section on "Self Referrals" below. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each PCP has certain network specialists they use for referrals. This means that the Humana Gold Plus HMO or Humana Value Plus HMO specialists you can use may depend on which person you choose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. Please refer to your Evidence of Coverage for information about changing your PCP. If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

For information on what specialties require a referral or prior authorization, please refer to Chapter 4 of your Evidence of Coverage (EOC).

Mental Health

For mental health or substance abuse services, you or your counselor must contact your PCP for authorization. Please call the PCP's phone number that is listed on your plan identification card. For additional information, go to **Humana.com** or contact the phone number listed on your plan identification card.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please call 1-866-421-5663 (TTY: 1-800-336-6709). Our hours are Monday through Friday, 8:30 a.m. to 5:00 p.m.

Humana Fitness

Not all Medicare Advantage plans offer a fitness benefit. Please refer to your Evidence of Coverage for fitness benefit information.

Vision Providers

Not all Medicare Advantage plans offer a vision benefit and benefits may vary between plans. Please refer to your Evidence of Coverage for vision benefit information.

Dental Providers

Not all Medicare Advantage plans offer a dental benefit and benefits may vary between plans. Please refer to your Evidence of Coverage for dental benefit information.

Self-Referrals

In some cases, you can get coverage for the services listed below without a referral or approval ahead of time from your PCP. "**Self-referred**" means you get services on your own from network physicians.

The following services may be self-referred:

- Emergency services, whether you get these services from plan providers or out-of-network providers.
 - Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan's service area.
 - Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area.
 - All Medicare covered preventive services as long as you get them from a network provider. These services are listed in the benefits chart in Chapter 4 of your Evidence of Coverage (EOC).
-

Hospital Services

The presence of a hospital in this directory does not always guarantee that you will be referred to that particular hospital. Your physician may not admit to all network hospitals. However, inpatient hospital admissions, except in emergency and urgently needed care situations, will require prior authorization from us.

Hospitalist Program

If your PCP participates in the Hospitalist Program, and you are admitted to the hospital, all aspects of your care will be actively directed and coordinated by a full time physician specially trained in inpatient care. The physician is referred to as a hospitalist and is independently contracted and board-certified or eligible for board certification by the American Board of Internal Medicine.

A case management coordinator, another member of the hospitalist team, is a licensed nurse trained in patient care management. He or she coordinates your needs and services (such as lab work, X-rays, consultations and more) with the hospitalist physician.

Your hospitalist physician and case management coordinator will report your condition and progress to your PCP regularly. They may also schedule a follow-up appointment with your PCP.

Introducción

Este directorio proporciona una lista de los proveedores de la red de Humana Gold Plus HMO o Humana Value Plus HMO. Para obtener información detallada acerca de sus cobertura de cuidado de la salud, consulte su Evidencia de cobertura.

Usted elegirá uno de los proveedores de nuestra red para que sea su proveedor de cuidado primario (PCP). El término "PCP" se utilizará bastante en este directorio. Por lo general, usted deberá recibir sus servicios de cuidado de la salud a través de su PCP. Se incluye en este directorio una lista de los proveedores de cuidado primario a esta subred. Los afiliados pueden elegir un médico de cuidado primario fuera de esta subred. Para obtener un listado completo de los proveedores de cuidado primario, llame al departamento de Atención al Cliente (detalles a continuación) o visite Web en **espanol.humana**.

Cómo aprovechar al máximo su red

Los proveedores de la red que están en este directorio han aceptado proporcionarle sus servicios de cuidado de la salud. Puede visitar a cualquiera de los proveedores de nuestra red que están en este directorio; pero es posible que algunos de los servicios requieran un referido. Usted debe utilizar los proveedores de la red excepto en situaciones de emergencia, o en una situación de cuidado que se necesite con urgencia o en caso de requerir los servicios de diálisis renal que reciba en un centro de diálisis certificado por Medicare cuando se encuentre temporalmente fuera del área de servicio del plan. Si usted utiliza proveedores fuera de la red para su cuidado de rutina ni Medicare ni Humana Gold Plus serán responsables por los costos.

Si su plan tiene proveedores con costo compartido preferido como parte de los beneficios, consulte la Evidencia de cobertura para más información sobre el costo compartido de cada nivel.

Qué debe hacer en caso de recibir facturas de proveedores fuera de la red y que usted cree que deberían ser canceladas por Humana Gold Plus HMO o Humana Value Plus HMO.

Nosotros cubrimos ciertos servicios de cuidado de la salud que usted reciba de proveedores fuera de la red. Entre estos se encuentran cuidado que usted reciba en una emergencia médica, cuidado que se necesite con urgencia, servicios de diálisis renal (riñón) que usted reciba fuera del área de servicio del plan, cuidado que haya sido aprobado con anticipación por el plan, y servicios cuya cobertura haya sido ordenada a través de un proceso de apelación. Si un proveedor fuera de la red le pide pagar por servicios cubiertos que usted reciba en alguno de estos casos, llame al departamento de Atención al Cliente (consulte la información detallada en la portada y la parte de atrás). O envíe la(s) factura(s) con una nota explicando la situación a:

Puede presentar una reclamación en la dirección que está al reverso de su tarjeta de identificación O
Humana Claims Office
P.O. Box 14601
Lexington, KY 40512-4601

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare. Pídale al proveedor fuera de la red que antes nos envíe una factura. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, en caso de que sea necesario.

Si tiene una emergencia, nosotros hablaremos con los médicos que le están proporcionando el cuidado de emergencia para ayudar a manejar y hacer el seguimiento de su cuidado. Los médicos que le están proporcionando el cuidado de emergencia decidirán cuándo su estado es estable y que la emergencia médica ha terminado.

Después de que la emergencia haya terminado usted tiene derecho a recibir cuidado de control posterior para asegurarse de que su estado continúe estable. Nuestro plan cubrirá su cuidado de control posterior. Si su cuidado de emergencia es proporcionada por proveedores fuera de la red, nosotros intentaremos coordinar para que proveedores de la red se encarguen de su cuidado tan pronto como lo permitan las circunstancias y su afección médica.

Supongamos que usted se encuentra temporalmente fuera del área de servicio del plan, pero dentro de los Estados Unidos o sus territorios. Si necesita cuidado de urgencia, es posible que no pueda encontrar o conseguir a uno de los proveedores de la red de nuestro plan. En este caso (cuando usted se encuentra fuera del área de servicio y no puede obtener cuidado de proveedores de la red), nuestro plan cubrirá el cuidado médico que se necesita con urgencia que usted reciba de cualquier proveedor.

Nuestro plan no cubre cuidado médico que se necesita con urgencia ni ningún otro cuidado que no sea de emergencia si usted lo recibe fuera de los Estados Unidos o sus territorios.

Si usted recibe cuidado de emergencia en un hospital fuera de la red y necesita cuidado como paciente interno después de que su afección de emergencia se estabiliza, debe regresar a un hospital de la red para que su cuidado continúe estando cubierta O debe recibir su cuidado como paciente interno en el hospital fuera de la red autorizado por el plan y su costo es el costo compartido que usted pagaría en un hospital de la red.

Obtener cuidado de especialistas

Cuando su PCP cree que usted necesita tratamiento especializado, él o ella podrá darle un "referido" (aprobación anticipada) para ver a un especialista de la red. Para ciertos tipos de referidos a especialistas del plan, su PCP deberá obtener una aprobación del plan con anticipación. Esto se llama "autorización previa".

Es muy importante obtener un referido de su PCP antes de ver a un especialista de la red. No obstante, usted no necesita obtener un referido para recibir ciertos servicios, consulte la sección a continuación que se trata de "Autorreferidos". Si usted no obtiene un referido antes de recibir los servicios de un especialista, es posible que usted mismo deba pagar por dichos servicios. Si el especialista desea que usted regrese para hacerle control posterior, asegúrese de revisar el referido original para ver si éste se encuentra incluido.

Cada PCP tiene especialistas de la red que él/ella usa para hacer sus referidos. Esto significa que los especialistas de Humana Gold Plus HMO o Humana Value Plus HMO que usted puede utilizar pueden depender de la persona que usted elija como su PCP. Si hay algún especialista en particular que usted desea consultar, verifique si su PCP hace referidos de pacientes a dicho especialista. Para obtener información acerca de cómo cambiar de PCP, consulte su Evidencia de Cobertura. Si hay algún hospital en particular que usted desea utilizar, verifique si su PCP utiliza dicho hospital.

Para obtener información sobre las especialidades que requieren un referido o autorización previa, consulte el Capítulo 4 de la Evidencia de cobertura (EOC, por sus siglas en inglés).

Salud mental

Para los servicios de salud mental o de tratamiento de abusos de sustancias, usted o su asesor debe comunicarse con su PCP para la autorización. Llame al número de teléfono del PCP que aparece en su tarjeta de identificación del plan. Para obtener información adicional, visite **Humana.com** o llame al número de teléfono que aparece en su tarjeta de identificación del plan.

Servicios de trasplante

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para los servicios relacionados con los trasplantes, llame al 1-866-421-5663 (TTY: 1-800-336-6709). Nuestro horario es de lunes a viernes, de 8:30 a.m. a 5:00 p.m.

Humana Fitness

No todos los planes Medicare Advantage ofrecen un beneficio de acondicionamiento físico. Para obtener información sobre los beneficios de acondicionamiento físico consulte su Evidencia de cobertura.

Proveedores de cuidado de la vista

No todos los planes Medicare Advantage ofrecen un beneficio para la vista y los beneficios pueden variar entre los planes. Consulte su Evidencia de cobertura para obtener información sobre el beneficio para la vista.

Proveedores dental

No todos los planes Medicare Advantage ofrecen un beneficio dental y los beneficios pueden variar entre los planes. Consulte su Evidencia de cobertura para obtener información sobre el beneficio dental.

Autorreferidos

En algunos casos, usted puede recibir cobertura para los servicios enumerados a continuación sin necesidad de que su PCP le dé un referido o aprobación anticipada. "**Autorreferido**" significa que usted puede recibir los servicios sin referido de médicos de la red.

Los siguientes servicios pueden ser de autorreferido:

- Servicios de emergencia, independientemente de si los recibe de proveedores del plan o de proveedores fuera de la red.
 - Cuidado que se necesita con urgencia que usted reciba de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan.
 - Servicios de diálisis renal (riñón) que usted recibe cuando se encuentra temporalmente fuera del área de servicio del plan.
 - Todos los servicios preventivos cubiertos por Medicare siempre y cuando los reciba de un proveedor de la red. Estos servicios aparecen en la tabla de beneficios del Capítulo 4 de su Evidencia de cobertura (EOC).
-

Servicios hospitalarios

La presencia de hospitales en este directorio no siempre garantiza que usted será referido a un hospital en particular. Es posible que su médico no conceda admisiones a todos los hospitales de la red para las hospitalizaciones. No obstante, las hospitalizaciones como paciente interno, salvo en casos de emergencia o de cuidado que se necesita con urgencia, requerirán nuestra autorización previa.

Programa de hospitalistas

Si su PCP participa en el Programa de hospitalistas, y usted es admitido al hospital, todos los aspectos de su cuidado serán dirigidos y coordinados activamente por un médico de tiempo completo especialmente capacitado para cuidado de hospitalización. El médico se conoce como hospitalista y es contratado de manera independiente y tiene certificación en su especialidad o reúne los requisitos necesarios para su certificación por la Junta Americana de Medicina Interna.

Un coordinador de administración de casos, otro miembro del equipo de hospitalistas, es un/a enfermero/a con licencia capacitado/a en la administración de cuidado de pacientes. Él o ella coordina todas las necesidades y los servicios (como los análisis de laboratorio, radiografías, consultas y mucho más) con el médico hospitalista.

Su médico hospitalista y coordinador de administración de casos darán informes regulares sobre su estado y progreso a su PCP. También podrán programar una cita de control posterior con su PCP.
