### DUAL-ELIGIBLE SPECIAL NEEDS PLANS (DSNP)

Humana's DSNPs offer beneficiaries who qualify for both Medicare and Medicaid with \$0 or low cost copays for many medical and pharmacy services, as well as rich supplemental benefits like dental coverage, eye exams and glasses, over-the-counter allowance, hearing aids and more. Dual-eligible enrollees may change plans once per calendar quarter for the first 9 months of the year. Eligible members must meet Medicaid requirements to enroll in these plans.

Medicare beneficiaries who enroll in a Value Plus Plan will receive lean medical and pharmacy coverage, as well as rich supplemental benefits. Those enrolling who have both Medicare and Medicaid (Dual-eligibles) will have further cost-share protections. Medicaid status does not impact enrollment in a Value Plus plan. If a Value Plus enrollee loses Medicaid status, he/she may keep the Value Plus plan but will pay higher cost sharing.

### VALUE PLUS PLANS

A Value Plus plan is a Medicare Advantage plan offered by Humana, and appeal to Medicare beneficiaries looking for rich supplemental benefits, like dental coverage, eye exams and glasses, an over-the-counter item allowance, hearing aids, along with lean medical and pharmacy coverage. Value Plus plans may be a good fit for someone familiar with Original Medicare cost sharing, even if he/she is also covered by a state Medicaid program.
