Letter from the Humana PAC Board Chair

Humana Political Action Committee (PAC) exists to provide perspective for a healthy future. Eligible Humana employees can voluntarily contribute to this nonpartisan PAC, which in turn supports federal and state candidates who, like Humana, believe in building a high-quality, accessible and affordable health care system. The Humana PAC Board, elected by PAC members, approves the candidates who receive our support.

Humana's commitment to openness and transparency is the foundation for this report, which details Humana PAC activity and corporate political contributions in the last six months of 2017.

Yours in health,

George Renaudin
Humana PAC Board Chair
Humana

About the PAC

Humana Inc. established and sponsors a Political Action Committee (PAC), registered with the Federal Election Commission (FEC) and certain states nationwide as required by applicable law. The PAC is a “separate segregated fund” (or “SSF”) under federal law, to which Humana solicits contributions only from its eligible employees. Copies of reports filed by the PAC with the FEC can be found by searching for “Humana Political Action Committee” at http://www.fec.gov/finance/disclosure/candcmte_info.shtml.

The PAC has a Board of Directors, which works closely with three individuals (Counsel, PAC Treasurer, PAC Manager) to oversee the operation of the PAC. The PAC is governed by the FEC and applicable federal law and various state laws where the PAC is registered to make state political contributions.

Contributions to the PAC are entirely voluntary. Distributions from the PAC are made to election committees of federal and state office candidates or to other PACs on a non-partisan basis.

Political contribution process & policy

Board oversight

The Board of Directors of Humana Inc. has reviewed the political contributions and political activities of the company and the PAC described in this report, and will continue to oversee compliance with the overall policy, process and contribution criteria with respect to such contributions and activities. Reviews occur semi-annually, along with semi-annual publication of this Political Contributions and Related Activity Report. As a matter of policy, all Humana Inc. political activities must promote the interests of the company, and must be made without regard for the private political preferences of company officers or executives. Furthermore, Humana does not make independent expenditures nor does it contribute to ballot measure committees.

Procedure for political contributions and expenditures to state and federal level candidates with PAC funds

Where permitted, and in compliance with all state and federal campaign finance statutes, regulations, and rules, Humana PAC makes contributions to candidates or political committees on the state level (e.g., statewide office, legislature) and federal level. Requests for PAC contributions to state and federal candidates or political committees are submitted to the Humana PAC Board of Directors. Requests can come from Humana employees, Humana PAC members, and most often, from Humana Corporate Affairs staff. The Humana PAC Board meets regularly to discuss and approve or decline these requests for a state or federal PAC contribution. These contribution requests are reviewed by legal counsel to help ensure compliance with applicable campaign finance laws.

Procedure for political contributions and expenditures to state and local candidates with corporate funds

Where permitted, and in compliance with all state campaign finance statutes, regulations, and rules, Humana makes corporate contributions to candidates or committees on the state level (e.g., statewide office, legislature). Requests for corporate contributions to state candidates or committees are submitted to Humana State Corporate Affairs from Humana employees, and most often, from Humana State Corporate Affairs staff. These requests are considered and approved or declined by the State Corporate Affairs Advocate responsible for each particular state. In some cases, the Vice President of Policy and State Corporate Affairs exercises decision-making authority to approve or decline a request for a state corporate contribution. These contribution requests are reviewed by legal counsel to help ensure compliance with applicable campaign finance laws.

Contributions reflected on this report may cover both primary and general election cycles, as applicable.
