Once your total yearly drug cost—what is paid both by you and our plan—reach **\$3,820**, the costs of your drugs may go up. Please refer to the Summary of Benefits for more information.

You can get more out of your plan by doing the following:

- **Stay in-network.** You'll pay less for your drugs at in-network pharmacies.
- **Use preferred cost-sharing pharmacies.** They offer a lower cost-share than standard cost-sharing pharmacies for most drugs (your cost-share for specialty drugs is the same at any in-network pharmacy).
- **Get a 90-day supply of many of the drugs you take all of the time.** You'll get more and may pay less, especially when you fill at a preferred cost-sharing mail-order pharmacy.
