Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

More about Humana Gold Choice H8145-003 (PFFS)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state's program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP). Humana Gold Choice H8145-003 (PFFS) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, you may be subject to higher copayments/coinsurance.

Specialty drugs are limited to a 30 day supply.

Certain drugs may need advance approval before your plan will cover any of the costs. This is called "prior authorization" or "preauthorization." Please contact your PCP or refer to the Evidence of Coverage (EOC) for services that require a prior authorization from the plan.

Cost sharing may change depending on the pharmacy you choose, when you enter another phase of the Part D benefit and if you qualify for "Extra Help." To find out if you qualify for "Extra Help," please contact the Social Security Office at 1-800-772-1213 Monday — Friday, 7 a.m. — 7 p.m. TTY users should call 1-800-325-0778. For more information on the additional pharmacy-specific cost-sharing and the phases of the benefit, please call us or access our "Evidence of Coverage" online.

If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy.

You may get drugs from an out-of-network pharmacy but may pay more than you pay at an in-network pharmacy.

Days' Supply Available

Unless otherwise specified, you can get your Part D drug in the following days' supply amounts:

- One month supply (up to 30 days)*
- Two month supply (31-60 days)
- Three month supply (61-90 days)

*Long term care pharmacy (one month supply = 31 days)

Coverage Gap

After you enter the coverage gap, you pay **25 percent** of the plan's cost for covered brand name drugs and **37 percent** of the plan's cost for covered generic drugs until your costs total **\$5,100** — which is the end of the coverage gap. Not everyone will enter the coverage gap.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach **\$5,100**, you pay the greater of:

- **5%** of the cost, or
- **\$3.40** copay for generic (including brand drugs treated as generic) and a **\$8.50** copayment for all other drugs
