Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-706-0872 (TTY: 711)**.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit **Humana.com/medicare** or call **1-800-706-0872 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

More about Humana Preferred Rx Plan (PDP)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state's program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

Humana Preferred Rx Plan (PDP) offers a pharmacy network with preferred cost sharing at select pharmacies. You may pay more at other pharmacies.

You may get drugs from an out-of-network pharmacy but may pay more than you pay at an in-network pharmacy.

Days' Supply Available

Unless otherwise specified, you can get your Part D drug in the following days' supply amounts:

- One month supply (up to 30 days)*
- Two month supply (31-60 days)
- Three month supply (61-90 days)

*Long term care pharmacy (one month supply = 31 days)

Coverage Gap

After you enter the coverage gap, you pay **25 percent** of the plan's cost for covered brand name drugs and **37 percent** of the plan's cost for covered generic drugs until your costs total **\$5,100** — which is the end of the coverage gap. Not everyone will enter the coverage gap.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach **\$5,100**, you pay the greater of:

- **5%** of the cost, or
- **\$3.40** copay for generic (including brand drugs treated as generic) and a **\$8.50** copayment for all other drugs
