Benefits are offered on an annual basis. If these benefits are changed or eliminated next year and the benefits have not been used, the member will no longer be eligible for these benefits.

This is an all-inclusive list of covered services under this plan. Any services received that are not listed will not be covered by the plan and will be the member's responsibility.

*Network dentists have agreed to provide services at contracted fees (the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee schedule (co-insurance payment still applies).
