<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,870 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit. The annual OOP limits are determined in accordance with section 1882(w)(2) of the Social Security Act. That provision prescribed an OOP limit for 2006 of \$4,000 for Plan K and \$2,000 for Plan L, and directed that these amounts increase each subsequent year by an appropriate inflation adjustment specified by the Secretary of the United States Department of Health & Human Services. For 2019 the calculation of the OOP limits is based on estimates of the United States Per Capita Costs (USPCC) of the Medicare program developed by CMS as published with the announcement of Calendar Year (CY) 2018 and CY 2019 Medicare Advantage (MA) payment rates.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

ACH Discount (applied to base premium):	_____
Household Discount (applied to base premium):	_____
<b>Premium Quote (base premium minus discounts):</b>	_____

\* We reserve the right to make changes to the premium discount structure. If a change to the discount structure occurs to your policy, it will affect all policies we issue like yours.

\*\* The household premium discount will be removed if the other Medicare supplement policyholder whose policy status entitles you to the discount no longer resides with you. However, if that person becomes deceased, your discount will still apply. This premium change will occur on the billing cycle following the date we learn your eligibility has ended. Household is defined as a condominium unit, a single family home, or an apartment unit within an apartment complex.

## **Premium Information**

We, Humana Insurance Company, can only change the renewal premium for your policy if we also change the renewal premium for all policies that we issue like yours in this State. No change in premium will be made because of the number of claims you file, nor because of a change in your health or your type of work.

This is an attained age rated policy, which means that your premiums will increase based on age. Your attained age premium increase will go into effect on the first monthly renewal date which falls on or follows the policy annual anniversary date. The premium increase will be based on your age attained on or before the last day of the renewal calendar month. A premium change will not be made more than once in a 12-month period.

Premium discounts may be applied or discontinued based on eligibility.
