These programs and services may be provided by a third party, discontinued at any time, and are subject to geographic availability. Limitations, terms, and conditions may apply to the programs and services described in this booklet.** Any disputes regarding these services and programs may be subject to the Humana grievance process. If you do not wish to receive information concerning these items and services, please contact Humana.

USA Senior Care Network Premium Savings Program

We have an arrangement with a nationwide group of hospitals through USA Senior Care Network, Inc. This means you'll receive a \$100 credit toward a future premium payment if you go to a hospital that is part of this network and you have an inpatient stay that requires payment of a Part A deductible.*

To find the hospitals in your area that are part of USA Senior Care Network, call USA Senior Care at **1-800-872-3860**. You can also find a list by signing into MyHumana at **Humana.com**. Click on Search USA Senior Care providers link on the Get Care page to access the USA Senior Care Network's website.

How you receive a premium credit:

The credit will be earned if an inpatient Part A deductible applies to your stay with a participating hospital in the USA Senior Care Network. Original Medicare determines when a Part A deductible applies. Usually this depends on whether you are an inpatient at a hospital. Please remember that staying overnight in a hospital doesn't always mean you're an inpatient or that a Part A deductible applies to your stay.

If you are eligible, then after processing your claim, we'll send you a notice letting you know that you earned the \$100 premium credit. This credit, for each qualifying hospital stay, will be automatically applied to your next month's premium and will be reflected on:

- Your bank statement if you pay by automatic bank withdrawal, or
- Your credit card statement if you pay by recurring credit card payment.

If you pay your monthly premium by coupon book, please reduce your payment by \$100 in your next premium payment check and send it with your coupon.

*Premium credit available only on plans that cover the Part A deductible.

Humana Well Dine®

After your overnight inpatient stay in a hospital or skilled nursing facility, you are eligible to receive 14 nutritious meals* delivered to your door at no cost to you. Meals should be stored in the refrigerator for up to 14 days from delivery and heated according to package instructions when ready to eat.

To arrange for this service, simply call **(877) 402-1030** after your discharge** and provide your Humana ID number and other basic information. If you use a TTY, call **711**. You can call Monday through Friday from 8:00 a.m. to 8:00 p.m., Eastern time. A representative will schedule your delivery.

Note: Well Dine is not available in Montana and North Dakota.

*Limit of 4 meal orders per calendar year. **Meals must be requested within 30 days of discharge from your inpatient stay.

HumanaFirst®

The HumanaFirst Nurse Advice Line offers 24-hour health information, guidance, and support. Whether the concern is immediate or longer term, policyholders can call for expert advice to find out how Humana can help them lead healthier lives. Call **1-855-235-8530** seven days a week. If you use a TTY, call **711**. This service is not meant to be used in an emergency. If you have an emergency, contact your physician or 911.

Drug Discount Program

As a Humana Achieve Medicare Supplement policyholder, you may get discounts on some prescription medicines you get from the drug store. Use this discount for prescriptions that you may not have coverage to assist you in cost.

To improve your access to prescription drugs, Humana contracted with a third party to help its policyholders receive discounts on certain medications received from a network pharmacy that are not covered by their

plan, either due to a categorical exclusion or because they are not on the applicable formulary.

Both Humana and its third-party claims administrator may receive a fee from a claim processed through this Program. However, the Program is designed using Humana's "lesser of" logic, which prevents you from paying more than the pharmacy's cash price when using the Program (including the fees). In other words, this logic ensures that you never pay more for your drug than the cash price that the pharmacy would have charged a walk-up customer for the same drug on the same day.

The Drug Discount Program is not an insurance benefit, but rather, an extra service. The Program described is neither contractually offered nor guaranteed under Humana Medicare Supplement insurance policies. As such, drugs filled pursuant to the Program do not count towards any deductible, coinsurance, or cost-sharing amounts you may be responsible for.

Transactions currently processed under the Program can have administrative fees of up to \$7.00. In 2023, the average administrative fee was \$4.27. You never pay more (including the administrative fee) for a drug through the Program than the cash price that the pharmacy would have charged a walk-up customer for the same drug on the same day.

How it works

Show your Humana ID card at a participating pharmacy when you buy non-covered prescription medicines. Depending on the medicine purchased, quantity limits may apply.

An example of how the Program works is as follows:

You chose to fill a prescription at the local pharmacy. You do not have coverage for the medication. If the cash price at this pharmacy is **\$20**, you would pay the full **\$20** price. If this pharmacy has a negotiated discount price on this medication under the Program, then you may be able to take advantage of some savings. If, for example, the discounted price is **\$12** and the administrative fee for this drug at this pharmacy under the Program is **\$5**, you would pay **\$17** rather than **\$20**.

What are the Average Savings?

While the savings may vary from pharmacy to pharmacy, on average, our members saved approximately **55%** on prescription drugs eligible for this Program as compared to the cash price for the drug at that pharmacy in 2023. There is no guarantee that members will achieve the same level of savings in subsequent years.

Contact Information

For more information about the Drug Discount Program, you can call Customer Service at the Service number located on the back of your membership card.

To find out if a pharmacy will give you a discount, call Customer Care at **1-800-281-6918** seven days a week, 8 a.m.-8 p.m., Eastern time. If you use a TTY, call **711**. However, please note that our automated phone system may answer your call during weekends and holidays. Please have your Humana ID card when you call.
