Medicare Supplement Guaranteed Issue Guide

Open Enrollment

You are eligible for Guaranteed Issue if you apply for a Humana Medicare Supplement Plan policy prior to or during the six-month period beginning with the first day of the first month in which you are enrolled for benefits under Part B of Medicare. Medicare Supplement insurance is available to those age 65 and older enrolled in Medicare Parts A and B and to those under age 65 eligible for Medicare due to disability or end stage renal disease.

Definitions Of Eligible Person For Guaranteed Issue And Creditable Coverage

You are eligible for Guaranteed Issue if you submit evidence of the date of termination or disenrollment with the Enrollment Application, and you meet one of the following conditions:

- 1. You are enrolled in an employee welfare benefit plan that provides health benefits that supplement the benefits under Medicare, and the plan terminates or ceases to provide such supplemental health benefits; or you are enrolled in an employee welfare benefit plan that is primary to Medicare and the plan terminates, or ceases to provide health benefits because you left the plan.
 - Your guaranteed issue period begins on the later of the following: the date you receive a notice of termination or cessation of all supplemental health benefits (or, if a notice is not received, notice that a claim has been denied because of a termination or cessation); or the date that the applicable coverage terminates or ceases; and ends 63 days thereafter.
- 2. You are enrolled with a Medicare Advantage organization under a Medicare Advantage Plan (the "Plan") under Part C of Medicare and any of the following apply; or you are 65 years of age or older and are enrolled with a Program of All-Inclusive Care for the Elderly (PACE), and there are circumstances similar to those described as follows that would permit discontinuance of your enrollment with the provider if you were enrolled in a Medicare Advantage Plan:
 - (i) The organization's or Plan's certification under this part has been terminated or
 - (ii) The organization has terminated or otherwise discontinued providing the Plan in the area in which you reside, or
 - (iii) You are no longer eligible to elect the Plan because of a change in your place of residence or other change in circumstances specified by the Secretary of the Department of Health and Human Services (the "Secretary"), excluding those circumstances where you were disenrolled from the Plan for any of the reasons described in Section 1851(g)(3)(B) of the federal Social Security Act (e.g., where you have not paid premiums on a timely basis, or you have engaged in disruptive behavior as specified in standards under Section 1856), or the Plan is terminated for all enrollees residing within a particular residential service area; or

Medicare Supplement Guaranteed Issue Guide (Continued)

- (iv) You demonstrate, in accordance with guidelines established by the Secretary, that:
 - (A) The organization offering the Plan substantially violated a material provision of the organization's contract with the Centers for Medicare & Medicaid Services in relation to you, including the failure to provide you, in a timely basis, with medically necessary care for which benefits are available under the Plan, or the failure to provide such covered care in accordance with applicable quality standards; or
 - (B) The organization or agent or other entity acting on the organization's behalf, materially misrepresented the plan's provisions in marketing the Plan to you.
- (v) You meet such other exceptional conditions as the Secretary may provide. If your enrollment is terminated involuntarily, the period begins on the date that you receive notice of termination and ends 63 days after the date the coverage is terminated. If you disenroll voluntarily the period begins 60 days before the effective date of disenrollment and ends 63 days after the effective date.
- 3. Your enrollment ceases under the same circumstances that would permit discontinuance under Section 2, and you are enrolled with one of the following:

 - (ii) A similar organization operating under demonstration project authority, effective for periods before April 1, 1999; or
 - (iii) An organization under an agreement under Section 1833(a)(1)(A) of the Social Security Act (health care prepayment plan); or
 - (iv) An organization under a Medicare Select policy.

If your enrollment is terminated involuntarily, the period begins on the date that you receive notice of termination and ends 63 days after the date the coverage is terminated.

- 4. You are enrolled in a Medicare Supplement policy and the enrollment ceases because:
 - (i) Of the insolvency of the issuer or bankruptcy of the non-issuer organization, or of other involuntary termination of coverage or enrollment under the policy;

Your guaranteed issue period begins on the earlier of the following: the date that you receive notice of termination, notice of the issuer's bankruptcy or insolvency, or other such similar notice; or the date the applicable coverage is terminated; and ends on the date that is 63 days after coverage is terminated.

- (ii) The issuer of the policy substantially violated a material provision of the policy; or
- (iii) The issuer or an agent or other entity acting on the issuer's behalf, materially misrepresented the policy's provisions in marketing the policy to you.

If you disenroll voluntarily the period begins 60 days before the effective date of disenrollment and ends 63 days after the effective date.

5. You were enrolled under a Medicare supplement policy and you terminate enrollment and subsequently enroll, for the first time, with (1) any Medicare Advantage organization under a Medicare Advantage Plan under Part C of Medicare, (2) any eligible organization under a contract under Section 1876 of the Social Security Act (Medicare cost), (3) any similar organization operating under demonstration project authority, (4) any PACE program under Section 1894 of the Social Security Act, or (5) a Medicare Select policy, and enrollment under this section is terminated by you during any period within the first 12 months of such subsequent enrollment (during which you are permitted to terminate such subsequent enrollment under Section 1851(e) of the federal Social Security Act).

If your enrollment is terminated involuntarily, the period begins on the date that you receive notice of termination and ends 63 days after the date the coverage is terminated.

Medicare Supplement Guaranteed Issue Guide (Continued)

- 6. You upon first becoming enrolled for benefits under Medicare Part A and Part B, enroll in a Medicare Advantage Plan under Part C of Medicare, or in a PACE program under Section 1894 of the Social Security Act, and disenroll from the plan or program within 12 months of the effective date of enrollment.
 - If your enrollment is terminated involuntarily, the period begins on the date that you receive notice of termination and ends 63 days after the date the coverage is terminated.
- 7. You enroll in a Medicare Part D plan during the initial enrollment period and, at the time of enrollment in part D, were enrolled under a Medicare Supplement policy that covers outpatient prescription drugs and you terminated enrollment in the Medicare Supplement policy and submit evidence of enrollment in Medicare Part D along with the application for a Medicare supplement policy that has a benefit package classified as Plan A, B, C, F, F(HD), K or L, and that is offered and is available for issuance to new enrollees by the same issuer that issued your Medicare Supplement policy with outpatient prescription drug coverage.

Your guaranteed issue period begins on the date you receive notice from your Medicare Supplement issuer during the 60 day period immediately preceding the initial part D enrollment period and ends 63 days after the date of termination.

According to information you have furnished, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a policy/certificate to be issued by Humana Insurance Company. Your new policy/certificate will provide 30 days within which you may decide - without cost - whether you desire to keep the policy/certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to the Applicant by Issuer, Agent (Broker or other Representative)

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan.

- 1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- 2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
- 3. If you still wish to terminate your present policy/certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy/certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy/certificate until you have received your new policy/certificate and are sure that you want to keep it.
