Use Humana's
Find a Doctor tool
to search for an
in-network provider
near you

Choosing a doctor, dentist, vision care provider or healthcare facility is an important decision. You can use Humana's Find a Doctor tool to search for an in-network provider near you. Using an in-network provider may help you save on out-of-pocket costs for the care you need.

Find a provider who fits your needs

- 1 Go to Humana.com/FindaDoctor
- Search type. Choose the tab that matches what kind of search you want to do. Choose what kind of search you want to do: Medical, dental, vision care or pharmacy. Select the tab at the top of the Find a doctor tool with the corresponding icon that represents the type of search you want.

Find the doctor you're looking for. Tell us how many miles within a specific ZIP code you want to search, then select a lookup method from 3 options: Coverage type, Member ID or Sign in. Once you've selected your lookup method, you can choose a search category, this is optional, but will help narrow down your search.

Select the "Search" button for your results.

Results. Have you found the doctor or facility that you looking for? If you need to revise your search, you can search again without leaving the results page.

Once you find a doctor that seems like a good fit for your needs, you can:

- Click on the doctor's name for more details
- · Send the doctor's contact information to yourself via email
- Get directions to the doctor's office
- Print or save a PDF of the doctor's contact information to your device

Physician Finder on the MyHumana Mobile app

Once you are enrolled with Humana, you can use the MyHumana mobile app to find a provider near you.

Here's how:

- On the app dashboard, locate the "Find Care" section.
- You can search by name or facility, or choose to "See all providers." This will allow you to search by specific categories.
- Your search results will generate using the location detected on your device.
