

## Prescription drug plans designed to fit your life

If you don't live near a preferred cost-sharing pharmacy, you may be able to have your medications delivered right to your front door.

### Preferred cost sharing may help you save money

Filling your prescriptions at a network retail pharmacy with preferred cost sharing can help you keep more of your own money in your pocket. Preferred cost sharing is available at the following retail pharmacies in 2021 for all three Humana prescription drug plans: Walmart, Walmart Neighborhood Market, Sam's Club (no membership required), Publix, Kroger and its brands, Harris Teeter, HEB, and Costco.

### Humana Pharmacy delivers convenience and savings

You can use any in-network pharmacy, but you may pay more for drugs at standard cost-sharing pharmacies than at preferred cost-sharing pharmacies. If you live in one of the states listed below, you can enroll in the Humana Walmart Value Rx Plan (PDP), the Humana Premier Rx Plan (PDP) or the Humana Basic Rx Plan (PDP), but you may not have a pharmacy with preferred cost sharing close to you. With Humana Pharmacy, you can have the medications you take regularly mailed to your home and save with preferred cost sharing.
