

COVID-19 vaccine update: December 9, 2021 information regarding Medicare vaccines

Beginning Jan. 1, 2022, Humana will reimburse the administration fee(s) set forth in the COVID-19 Administration Fee Table for Medicare Advantage (MA), Medicare Advantage Prescription Drug (MAPD) and Illinois dual-demonstration plan members, per guidance released from the Centers for Medicare & Medicaid Services. Claims for Medicare prescription drug plan members should be submitted to the member’s Part B Medicare Administrative Contractor (MAC) or their MA-only plan, as applicable.

To receive payment of administration fees, pharmacies must submit the claims with the NCPDP fields populated as shown in the following table:

Field number	NCPDP field name	Required vaccine administration information for processing
440-E5	Professional Service Code Field	MA (Medication Administration)
438-E3	Incentive Amount Submitted Field	≥ \$0.00 (submit administration fee indicated below)
412-DC	Dispensing Fee Submitted	≥ \$0.00 (cannot be blank)
426-DQ	Usual and Customary Charge	> \$0.00
423-DN	Basis of Cost Determination	15 (free product or no associated cost)
420-DK	Submission Clarification Code (SCC)	2 for the first dose of a two-dose vaccine
420-DK	Submission Clarification Code (SCC)	2 for a single-dose vaccine
420-DK	Submission Clarification Code (SCC)	6 for the second dose of a two-dose vaccine
420-DK	Submission Clarification Code (SCC)	7 for additional dose
420-DK	Submission Clarification Code (SCC)	10 for vaccine booster

Note: This submission information is for COVID-19 vaccines that are provided to pharmacies at no cost. Humana will provide revised submission information when/if COVID-19 vaccines are available for purchase directly by pharmacies or providers.

Humana will pay eligible pharmacies administration fees, as set forth in the COVID-19 Administration Fee Table below, for administering COVID-19 vaccines to Humana Medicare members.
