Arizona On Hand® Plan

On Hand plans are a revolutionary new way to access primary care

Members get unlimited virtual primary and urgent care through Doctor On Demand. Plus, Doctor On Demand will provide referrals to specialists and coordinate the member's care. On Hand members also have access to Humana's network of in-person providers and specialists.

- \$0 copay for virtual primary and urgent care through Doctor On Demand. Virtual visits with providers other than Doctor On Demand will be equal to the cost associated with the same in-person/face-to-face site of care.
- \$0 copay for in-network preventive services
- \$5 copay for labs at participating providers¹
- For all other in-network covered services that members don't receive from Doctor On Demand, the member will pay Humana's negotiated rate until they reach their maximum out-of-pocket limit.
- All out-of-pocket costs count toward the individual and family deductible, as well as the maximum out-of-pocket limit (in-network deductible and in-network maximum out-of-pocket limit are the same)

Pharmacy benefit

On Hand plans feature the Rx5 Standard pharmacy formulary.

- \$5 copay for pharmacy tiers 1-2 (1600+ medications)
- Pharmacy tiers 3-5 are subject to coinsurance after deductible
