To: Humana Healthy Horizons in Florida healthcare providers
From: Humana Healthy Horizons in Florida
Subject: Updated transportation services information for Humana Healthy Horizons in Florida members
Notice date: April 1, 2021

We want to let you know about a change to a transportation services provider in our network.

Effective Apr. 1, 2021, our transportation vendor, LogistiCare, is changing its name to ModivCare. Until then, we will refer to it as “ModivCare (formerly LogistiCare)”:

- On our website
- In our member handbook
- When our members call for help setting up a ride

This name change **will not** affect the transportation services available to our members. They can set up rides through ModivCare (formerly LogistiCare) to attend a health appointment or visit a pharmacy.

More information is available at [Humana.com/FloridaRides](https://www.humana.com/FloridaRides) about the free transportation services available to our members.
