### Stakeholder Advisory Committee

Humana recognizes that to best serve our members, we need to collaborate with community stakeholders.

Every three months, Humana Gold Plus Integrated (Medicare-Medicaid plan) hosts a virtual Stakeholder Advisory Committee meeting via Webex.

The committee includes representatives from:

- Community service groups
- Social services groups
- Patient advocacy groups
- Health services organizations
- Faith-based organizations

During these virtual committee meetings, participants can:

- Provide feedback to help us better understand Humana-covered patients
- Share ideas for how we can provide our members with the highest quality benefits and services
- Help identify opportunities for improvement

If you represent one of the above groups and want to join our Stakeholder Advisory Committee, call our Quality Operations team at **877-291-6608 (TTY: 711)** and press 2. Our hours are Monday – Friday, 8 a.m. – 5 p.m., Central time.

Humana Gold Plus Integrated H0336-001 (Medicare-Medicaid Plan) is a health plan that contracts with both Medicare and Illinois Medicaid to provide benefits of both programs to enrollees.
