HumanaChoice H7617-001 (PPO) Greenville

## If you don't receive Extra Help for your drugs, you'll pay the following:

**Deductible** This plan has a **\$480** deductible. You pay the full cost of your drugs until you reach \$480. Then, you only pay your cost-share.

**Initial Coverage** In this stage, you may pay a cost-share that is either a **copay** — a set dollar amount — or **coinsurance** — a set percentage amount you pay each time you fill your drug.

Once your total yearly drug costs—what is paid both by you and our plan—reach **\$4,430**, the costs of your drugs may go up. Please refer to the Summary of Benefits for more information.

You can get more out of your plan by doing the following:

- **Stay in-network.** You'll pay less for your drugs at in-network pharmacies.
- **Use preferred cost-sharing pharmacies.** They offer a lower cost-share than standard cost-sharing pharmacies for most drugs (your cost-share for specialty drugs is the same at any in-network pharmacy).
- **Get a 90-day supply of many of the drugs you take all of the time.** You'll get more and may pay less, especially when you fill at a preferred cost-sharing mail-order pharmacy.
