

# Helping you eat healthier every month

## The Healthy Foods Card boosts your food budget

### Your Humana health plan includes a benefit to help you eat better

Putting healthy food on the table can be hard. At Humana, we want to make it a little easier for you. That's why we're giving you a Healthy Foods Card to help you pay for approved groceries.

### Each month, you'll get a \$50 food allowance

You keep the same card month to month—the money is reloaded at the beginning of the month. It's automatic and there's no additional cost. The money you don't spend doesn't carry over to the next month, so use it each month.

### Spend it at participating stores

Use your Healthy Foods Card to buy approved groceries at participating stores, including Walmart and others in your area. You may also use your card at Walmart.com.

### Buy approved food items you need

Humana provides this card to help you eat healthy. You can use the Healthy Foods Card for:

- Milk
- Cheese
- Fresh produce
- Meat
- Seafood
- And other approved healthy foods

### Your card is on its way

- Your card, with additional information, should arrive in the mail before your new plan starts.
- Follow the instructions provided to activate your card—your card must be activated before you use it.
- Get to know where you can use your card in your area.
- You can start using your card once your plan goes into effect.

Humana is a Coordinated Care HMO SNP, PPO SNP plan with a Medicare contract and a contract with the state Medicaid program. Enrollment in this Humana plan depends on contract renewal. No amounts on the Healthy Foods Card can be used to purchase Medicare-covered prescriptions or services, nor can it be converted to cash.
