

## Medicare Summary of Medical Preauthorization and Notification List Changes

Last updated: Nov. 29, 2022

This list contains a summary of changes made to the current copy of the Medicare Medical Preauthorization and Notification List. At Humana, we are dedicated to ensuring that every business decision we make reflects our commitment to improving the health and well-being of our members. To that end, we continuously evaluate our clinical programs, current medical literature, legislation and coding practices to help our members achieve their best health.

A copy of the most recent Medicare Preauthorization and Notification List can be found on our webpage at [Humana.com/PAL](https://www.humana.com/PAL).
