Payments

Plan benefits are paid based on maximum allowable fees, as defined in your Summary Plan Description. In-network providers agree to accept maximum allowable fees, as listed in negotiated payment schedules, as payment in full.

For services rendered by out-of-network providers, the member is responsible for charges exceeding a maximum allowable fee selected by your employer. For services from other out-of-network providers as well as emergency, ambulance and/or urgent services received while out of the service area that are covered at in-network provider benefit levels, the member may be responsible for charges that exceed maximum allowable fees.

Humana's medical plans are self-insured, which means that certain state-mandated benefits may not be covered. To be covered, services must be medically necessary and specified as covered. Certain services require prior authorization.

Please see your Summary Plan Description for more information on medical necessity and other specific plan benefit limitations.

¹Brand-name contraceptives are covered at 100% before deductible only when no generic alternative is available in that class or category.

²Breastfeeding supplies and devices must be purchased or rented from an in-network DME provider or qualified healthcare practitioner to be covered at 100% before deductible. Humana does not cover breast pumps or supplies purchased at a retail store.

³Humana sometimes requires preauthorization for some services and procedures your physician or other provider may recommend for you. Humana does this solely to determine whether the service or procedure qualifies payment under your benefit plan. You and your healthcare provider decide whether you should have such services or procedures. Humana's preauthorization determination relates solely to payment by Humana. To find a list of services and supplies that require preauthorization for coverage, please visit our website at [Humana.com/members/tools](https://www.humana.com/members/tools) or call Customer Care. Failure to obtain necessary preauthorization when required may result in a reduction of otherwise payable benefits. Your healthcare practitioner should call Customer Care to obtain preauthorization.

⁴Services received before or after the deductible is met will apply to the member's day/visit limit as specified by the given benefit.

⁵The National Transplant Network includes in-network providers for transplant services. All other providers will be considered out-of-network providers.

⁶Preventive Rx includes generic and preferred brand-name medicines (without a generic equivalent) for diabetes and diabetic supplies, heart (blood pressure and cholesterol) and blood agents/thinners.

⁷If the cost of the drug is less than the required copay, the member will be responsible for the full cost of the prescription.

Important!

At Humana, it is important you are treated fairly.

Humana Inc. and its subsidiaries do not discriminate or exclude people because of their race, color, national origin, age, disability, sex, sexual orientation, gender, gender identity, ancestry, ethnicity, marital status, religion or language. Discrimination is against the law. Humana and its subsidiaries comply with applicable Federal Civil Rights laws. If you believe that you have been discriminated against by Humana or its subsidiaries, there are ways to get help.

- You may file a complaint, also known as a grievance:
Discrimination Grievances, P.O. Box 14618, Lexington, KY 40512-4618
