Terminology

- **PCP Quality Recognition Program (PCP QRP)** – Incentive program designed to increase collaboration between Humana and the provider to improve patient health outcomes
- **Per Member Per Month (PMPM)** – Number of paneled members per month
- **Per Member Per Year (PMPY)** – Number of paneled members per year

Program Details

- **Membership Threshold** – Meet and maintain a membership threshold of 30 paneled patients at the beginning and end of the measurement year
- **Payment Potential** – \$4.50 PMPM is paid for achieving five (5) of seven (7) program measure targets. Participants also can earn a separate PMPY incentive payment for the Patient Experience – Getting Care Quickly category.

Results and earned incentives will be available by mid-summer of the year following the measurement year.
