

# Medicaid Quality Recognition

## Medicare Advantage Star Recognition

---

These programs are considered non-value-based with the option of a quality incentive only. The programs provide **annual** incentives to provider practices that meet a set of quality measures\* identified at the beginning of the measurement year.

**Lines of Business (LOB):** Medicare Advantage, Medicaid

### Program Details:

- Practices are eligible based upon meeting and maintaining a membership threshold of 30 paneled patients at the beginning and end of the measurement year for applicable LOB.
- Eligible practices must meet the following criteria at the time of settlement:
  - ✓ Contracted for an applicable LOB
  - ✓ In good standing with Humana
  - ✓ Not participating in another Humana PCP Quality Recognition Program for the LOB
  - ✓ Maintain a membership threshold of 30 paneled patients
- Incentives are calculated and paid at the Tax Identification Number (TIN) level.
- Measures may be adjusted based on Centers for Medicare & Medicaid Services (CMS) priorities or state regulations.
- Programs are settled annually and payments are made by mid-summer following the measurement year.
