

Update your contact information

Be sure to update your contact information (service address, phone/fax numbers, etc.) when changes occur.

3 ways to update your information

1. Update your information online with [Availity Essentials](#).
2. Use [Humana's demographic updates form](#) to submit your changes.
3. Contact [your regional contracting representative](#) (PDF). (Please use Humana's [preferred standard roster template](#) (PDF) or a similar template format to submit your demographic information to your contracting representative.)

Behavioral health professionals

1. Update your information online with [Availity Essentials](#).
2. Send an email to behavioralhealthproviderservices@humana.com with your updated contact information.
