# Annual Notice of Changes

Northwest Indiana

**Humana®**

# Thank you for being a Humana member

We believe the simplest way to help you feel your best is to do what's right by you. That means going above and beyond what you may expect. We call this human care, and it's one of the reasons millions\* of people have chosen Humana for their Medicare Advantage plan.

We hope you would like to keep your current Humana plan. If so, you don't need to do anything; it will automatically renew on January 1, 2023.

## Plan for the 2023 Medicare Annual Election Period

**See how your plan is different.** Review this Annual Notice of Changes (ANOC) document for changes to your medical coverage, prescription drug coverage, in-network pharmacies, and costs like premium, copays, deductibles and coinsurance.

**Know that this document doesn't include all your benefits.** The ANOC highlights plan changes but does not include a full list of your plan benefits. Starting October 15, see your 2023 Evidence of Coverage (EOC) at **[Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)** for a complete listing. See the back panel of this document for more instructions.

**Keep your current Humana member ID card.** Humana does not issue new ID cards each plan year for members choosing to remain on their current Humana Medicare plan. You will only receive a new ID card if the card's information changes or you select a different plan for 2023.

**Starting on January 1, 2023, your Humana Gold Plus H5619-053 (HMO-POS) will be simpler because your drug coverage will be the same at all in-network retail pharmacies. This means that you'll have the same cost-share no matter where you fill your prescriptions as long as the retail pharmacy is in-network.**

## **Annual Notice of Changes for 2023**

You are currently enrolled as a member of Humana Gold Plus H5619-053 (HMO). Next year, there will be changes to the plan's costs and benefits. ***Please see page 6 for a Summary of Important Costs, including Premium.***

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at **[Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)**. You may also call Customer Care to ask us to mail you an *Evidence of Coverage*.

- **You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**
- 

### **What to do now**

#### **1. ASK:** Which changes apply to you

- ☐ Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- ☐ Check the changes in the 2023 Drug Guide to make sure the drugs you currently take are still covered.
- ☐ Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- ☐ Think about whether you are happy with our plan.

#### **2. COMPARE:** Learn about other plan choices

- ☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at **[www.medicare.gov/plan-compare](https://www.medicare.gov/plan-compare)** website or review the list in the back of your *Medicare & You 2023* handbook.
- ☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

#### **3. CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in Humana Gold Plus H5619-053 (HMO-POS).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with Humana Gold Plus H5619-053 (HMO-POS).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 1 We Are Changing the Plan's Name

On January 1, 2023, our plan name will change from Humana Gold Plus H5619-053 (HMO) to Humana Gold Plus H5619-053 (HMO-POS).

You will receive a new ID card in the mail with the new Humana plan name prior to your effective date. Any plan documents you receive after January 1, 2023 will use the new plan name.

## SECTION 2 Changes to Benefits and Costs for Next Year

### Section 2.1 - Changes to the Monthly Premium

<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$0	\$0

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

### Section 2.2 - Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay "out-of-pocket" for the year. This limit is called the "maximum out-of-pocket amount." Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

### Section 2.3 - Changes to the Provider and Pharmacy Networks

Updated directories are also located on our website at **Humana.com/PlanDocuments**. You may also call Customer Care for updated provider and/or pharmacy information or to ask us to mail you a directory.

There are changes to our network of providers for next year. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 Provider Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Customer Care so we may assist.

### Section 2.4 - Changes to Benefits and Costs for Medical Services

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes.

Services received at Rural Health Clinics, Federally Qualified Health Clinics, and Critical Access Hospitals may be subject to the Primary Care Physician or Specialist copay or coinsurance, as applicable, for 2023.

Effective April 1, 2023, some rebatable Part B drugs may be subject to a lower coinsurance.

Effective July 1, 2023, cost sharing for covered Part B Insulin furnished through a covered item of durable medical equipment will be no more than \$35 for a one-month (up to 30-day) supply.

## Section 2.5 - Changes to Part D Prescription Drug Coverage

### Changes to Our Drug Guide

Our list of covered drugs is called a Formulary or "Drug Guide." A copy of our Drug Guide is provided electronically. The Drug Guide includes many - but not all - of the drugs that we will cover next year. If you don't see your drug on this list, it might still be covered. **You can get the complete Drug Guide** by calling Customer Care (see the back cover) or visiting our website ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)).

We made changes to our Drug Guide, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug Guide are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug Guide to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this insert by September 30, please call Customer Care and ask for the "LIS Rider."

There are four "drug payment stages." The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

#### Changes to the Deductible Stage

For information about the costs for a long-term supply; at a network pharmacy that offers preferred cost sharing; or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i> . Humana Gold Plus H5619-053 (HMO-POS) offers additional gap coverage for Select Insulins as part of the **Insulin Savings Program**. During the Coverage Gap stage, your out-of-pocket costs for Select Insulins will be **\$35** for a one-month (up to a 30-day) supply. The Insulin Savings Program does not apply to the Catastrophic Coverage Stage.

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you. Call Customer Care for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$35 for a one-month (up to 30-day) supply of each Part D insulin product covered by our plan, no matter what cost-sharing tier it's on. This applies to all Part D covered insulins, including the Select Insulins covered under the Insulin Savings Program. If you receive "Extra Help", you will still pay no more than \$35 for a one-month supply for each Part D covered insulin. Please see your Prescription Drug Guide to find all Part D insulins covered by your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at [Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments).

**Getting Help from Medicare** - If you chose this plan because you were looking for insulin coverage at \$35 a month or less, it is important to know that you may have other options available to you for 2023 at even lower costs because of changes to the Medicare Part D program. Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week for help comparing your options. TTY users should call 1-877-486-2048.

**Additional Resources to Help** - Please contact our Customer Care number at 1-800-457-4708 for additional information. (TTY users should call 711.) Hours are 8 a.m. to 8 p.m. seven days a week from October 1 - March 31 and 8 a.m. to 8 p.m. Monday-Friday from April 1 - September 30.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If you want to stay in Humana Gold Plus H5619-053 (HMO-POS)

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Humana Gold Plus H5619-053 (HMO-POS).

### Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Humana Gold Plus H5619-053 (HMO-POS).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Humana Gold Plus H5619-053 (HMO-POS).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll or visit our website to disenroll online. Contact Customer Care if you need more information on how to do so.
  - or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

#### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call your State Health Insurance Assistance Program at the number listed in "Exhibit A" in the back of this document.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** Many states have State Pharmaceutical Assistance Programs (SPAPs) that help people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in "Exhibit A" in the back of this document).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP program (the name and phone numbers for this organization are in "Exhibit A" in the back of this document).
