Humana is a Coordinated Care (HMO D-SNP) plan with a Medicare contract and a contract with the Florida Medicaid program. Enrollment in this Humana plan depends on contract renewal.

Continued:

Your provider may choose to submit to the Florida Medicaid for consideration of additional secondary payment for an amount applied to deductibles, coinsurance, or copayments. Providers are required by federal regulation to accept Humana Gold Plus SNP-DE H1036-285 (HMO D-SNP) primary payment and the Florida Medicaid secondary payment as payment in full for covered Medicare Part A and Part B services – even when the Medicaid payment is zero or a provider chooses to not submit to Medicaid.

If you are cost-share protected by the Florida Medicaid, Humana Gold Plus SNP-DE H1036-285 (HMO D-SNP) providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments – even when Medicaid payment is zero or a provider chooses to not submit to Medicaid. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment.

If you are cost-share protected and you are billed or asked to pay the provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services tell your provider you are cost-share protected and can't be charged. If you have already made payment you have the right to a refund. If your provider will not stop billing, you can call Customer Care at 1-844-775-9622 or you can call Medicare at 1-800-Medicare (1-800-633-4227), (TTY 1-877-486-2048). Customer Care or Medicare can ask your provider to stop billing you and refund any payment you have made.

Telehealth services shown are in addition to the Original Medicare covered telehealth. Your cost may be different for Original Medicare telehealth.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your evidence of coverage for additional details on what your plan may cover or other rules that may apply.
