Our service area includes the following county/counties in California: Los Angeles, Orange, San Diego.

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

### Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

**Great news—Part B Insulin and Part B drug benefits on Humana’s Medicare Advantage plans are getting even better in 2023.**

At Humana, we strive to help our members achieve total health so that they may live their best lives, which includes efforts to provide our members with access to more affordable prescription drugs.

With the passing of the Inflation Reduction Act, all Medicare Advantage plans will have enhanced benefits in 2023:

**Effective April 1, 2023**, some rebatable Part B drugs may be subject to a lower coinsurance. This means beginning April 1, 2023, some Part B drugs will have a lower coinsurance than your standard part B drug coinsurance to help avoid increased cost for your Part B drugs. Any coinsurance adjustments will be made by the pharmacy at the time of purchase. Note, this does not impact your Part D prescription drug coverage.

**Effective July 1, 2023**, cost sharing for covered Part B Insulin furnished through a covered item of durable medical equipment will be no more than \$35 for a one-month (up to 30-day) supply and if your plan has a deductible, it does not apply to Part B Insulin. Part B Insulin is most commonly used through an insulin pump.

Note, plan information provided in your previous member materials may not reflect these 2023 benefit enhancements from the passing of the Inflation Reduction Act.

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state's program, you may not have to pay the medical costs displayed in this booklet.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member you must select an in-network doctor to act as your Primary Care Provider (PCP). Humana Honor (HMO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services.
