Understanding your
diabetes coverage

Diabetes coverage that centers around you

At Humana, we are here to help. We want you to have an easy experience when getting your diabetic supplies and prescriptions.

The information provided below offers helpful tips on when to use your Humana Group Medicare Plan member ID card for diabetic prescriptions and supplies.

Diabetes prescriptions and supplies—Part B vs. Part D

Medicare Part B

- Diabetic testing supplies
- Insulin pumps*
- Continuous glucose monitors (CGM)*
- Insulin administered (or used) in insulin pumps

Medicare Part D

- Diabetes medications
- Insulin administered (or used) with syringes or pens
- Syringes, pen needles or other insulin administration devices that are not durable medical equipment (e.g., Omnipod* or VGO)

We're here for you!

If you have questions about your coverage, please call Humana Group Medicare Customer Care at the number on the back of your Humana member ID card.

Important information for your pharmacist

For MA: Let your pharmacist know to use **BIN 610649** and **PCN 03200004** when filling your prescription for items covered under Part B.

For MAPD: Let your pharmacist know to use **BIN 015581** and **PCN 03200000** when filling your prescription for items covered under Part D.

*Available through our preferred durable medical equipment (DME) vendors, CCS Medical, 877-531-7959 or Edwards Healthcare, 888-344-3434.
