

Humana 2023 Medicare Advantage

DENTAL OFFICE HANDBOOK

The information you need to administer Humana Medicare Advantage (MA) dental benefits

What's new in 2023?

Enhanced embedded dental benefits: 82% of patients will have embedded benefits that cover some major services. 90% of patients will have plans that cover periodontal scaling, which is important for any patients with gum irritation or inflammation.

New dental allowance plan: Patients can use up to the plan's annual maximum with no frequency limitations on services. This provides more flexibility for patients to receive the services they need, when they need them. Claims process and clinical review still apply.

New flexible allowance on the Humana spending account card: Patients can use up to the allowance provided for 2023 out-of-pocket covered dental, vision and hearing services. When using the Flex Allowance on the Spending Account Card, the dental insurance benefit (DENxxx) should be applied first (by submitting a claim to Humana), and then the Flex Allowance can be used on out-of-pocket expenses for 2023 covered services.

New Florida GoldPlus Dental Network: Florida patients will now have access to a nationwide network.

This Dental Office Handbook can be found at [Humana.com/sb](https://www.humana.com/sb).

Dentists can call the Humana Provider Customer Service line for assistance at **800-833-2223**, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

I. MA ID card sample

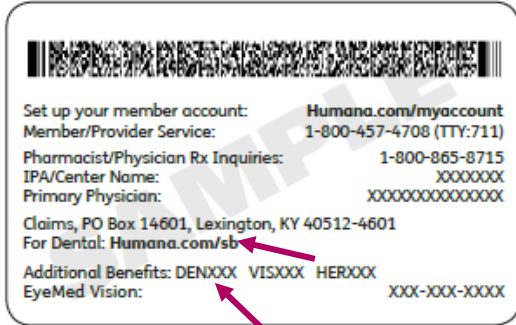

Humana members are not issued a separate dental identification card because their dental benefits are included on their Humana MA ID card. The medical network is shown on the front of the card. A DENXXX indicator identifies the patient’s dental plan on the back of the card.

This is the name of the medical network only.
It is not related to the dental network.

The image shows the front of a Humana MA ID card. It features the Humana logo, 'HUMANA GOLD PLUS (HMO)', and 'A Medicare Health Plan with Prescription Drug Coverage'. It includes fields for 'MEMBER NAME', 'Member ID: HXXXXXXXXX', 'Plan (80840) 9140461101', 'RxBIN: XXXXXX', 'RxPCN: XXXXXXXX', and 'RxGRP: XXXXXX'. A red arrow points to the Humana logo. A large 'SAMPLE' watermark is visible across the card.

You can find information about the dental network at **Humana.com/sb**.

The image shows the back of a Humana MA ID card. It features a barcode at the top. Below it, there is contact information for setting up a member account, including 'Humana.com/myaccount', '1-800-457-4708 (TTY:711)', and '1-800-865-8715'. It also lists 'Pharmacist/Physician Rx Inquiries: 1-800-865-8715', 'IPA/Center Name: XXXXXXX', and 'Primary Physician: XXXXXXXXXXXXXXXX'. A red arrow points to 'Humana.com/sb' under 'For Dental:'. Another red arrow points to 'DENXXX' in the 'Additional Benefits' section. A large 'SAMPLE' watermark is visible across the card.

The six-character DEN code indicates the patient’s plan.

Humana MA supplemental dental benefits are provided through the HumanaDental® Medicare Network for patients who purchased their plans in all states except Florida. MA patients who purchased their plan in Florida use the Florida GoldPlus Dental Network.

Name of network	Contract and fee schedules	States	Benefits
HumanaDental Medicare*	PPO	Nationwide	Members have in-network benefits or out-of-network benefits, depending on their plan.
Florida GoldPlus Dental	PPO	Nationwide	

*Your dental office may be contracted with this Medicare network through one of our dental network rental partners. See a list of these partners in Section V of this document.

We are encouraging our members to state the following when they call you for an appointment:
“I have dental benefits with my Humana Medicare Advantage plan. The dental benefits are provided by dentists in the HumanaDental Medicare Network (or by the Florida GoldPlus Dental Network in Florida).”

II. MA dental benefits for 2023

Refer to the table below to find the 2023 MA dental benefit document that matches the six-character DEN code listed on the back of your patient's Humana MA ID card. These benefit documents, listed in numerical order, provide the covered American Dental Association (ADA) codes and benefit frequencies.

The shaded cells indicate dental allowance plans. Patients can use up to the plan's annual maximum with no frequency limitations on services. This provides more flexibility for patients to receive the services they need, when they need them. Claims process and clinical review still apply.

The Humana MA dental benefit summary documents may update throughout the year. Therefore, it is best to access them using the links provided above (click on the DEN code to open link) rather than downloading or printing the documents. Updates will be listed as they occur.

III. MA dental benefits by state for 2023
