

Instructions on How to Appoint a Representative

If you want, you can name another person to act for you as your authorized representative to file a grievance, a coverage determination, an organization determination, or an appeal. The below instructions explain how you can appoint a representative.

You may appoint any individual (such as a relative, friend, advocate, an attorney, physician or other prescriber, or an employee of a pharmacy, charity, or other secondary payer) to act as your representative.

- To appoint a representative, you can fill out an Appointment of Representative (AOR) Form (CMS-1696). This form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
- Alternatively, instead of completing the AOR Form, you may send us a written notice including the following items:
 - The name, address, and telephone number of the member;
 - The member's Medicare Beneficiary Identifier (MBI), the member's Medicare ID Number (HICN), or member's CarePlus plan ID number;
 - The name, address, and telephone number of the individual being appointed;
 - The appointed representative's professional status or relationship to the member;
 - A written explanation of the purpose and scope of the representation;
 - A statement that the member is authorizing the representative to act on his or her behalf for the claim(s) at issue, and a statement authorizing disclosure of individually identifying information to the representative;
 - Signed and dated by the member making the appointment
 - A statement from the individual being appointed indicating that they accept the appointment; and
 - Signed and dated by the individual being appointed as representative.
- Your authorized representative has all the same rights and responsibilities as you in filing a grievance, obtaining a coverage decision (organization determination/coverage determination), or in dealing with any levels of the appeals process.
- The appointment is considered valid for one year from the date that the AOR Form is signed by both you and your representative, unless revoked. However, if you would like the same individual to continue serving as a representative after one year, you must reappoint that person by submitting a new representative form.
- There may be someone who is already legally authorized to act as your representative under state law (for example: court appointed guardian, Durable Power of Attorney, health care proxy, etc.).

If this is the case, you must give us a copy of the legal documentation appointing that person as your representative for our review.

For *medical care*, your doctor can request an organization determination or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2. To request any appeal after Level 2, your doctor must be appointed as your representative.

For *Part D prescription drugs*, your doctor or other prescriber can request a coverage determination, Level 1, or Level 2 appeal on your behalf. To request an appeal after Level 2, your doctor or other prescriber must be appointed as your representative.

INSTRUCTIONS AND REGULATION REQUIREMENTS

Instructions

Name of Party (required): This is the name of the person or entity which has standing to file a claim or appeal (the name of the person who has Medicare, or the name of the provider or supplier).

Medicare Number or National Provider Identifier (required): This must be completed when the person or entity appointing a representative has a Medicare number or National Provider Identifier. If not applicable, fill in, "not applicable".

All fields in Sections 1 and 2 are required unless noted as optional within the field. See the regulation at [42 CFR 405.910](#).

Charging of Fees for Representing Beneficiaries before the Secretary of HHS

An attorney, or other representative for a beneficiary, who wishes to charge a fee for services rendered in connection with an appeal before the Secretary of HHS (i.e., an Administrative Law Judge (ALJ) hearing or attorney adjudicator review by the Office of Medicare Hearings and Appeals (OMHA), Medicare Appeals Council review, or a proceeding before OMHA or the Medicare Appeals Council as a result of a remand from federal district court) is required to obtain approval of the fee in accordance with 42 CFR 405.910(f).

The form, OMHA-118, "Petition to Obtain Approval of a Fee for Representing a Beneficiary" elicits the information required for a fee petition. It should be completed by the representative and filed with the request for ALJ hearing, OMHA review, or request for Medicare Appeals Council review. Approval of a representative's fee is not required if: (1) the appellant being represented is a provider or supplier; (2) the fee is for services rendered in an official capacity such as that of legal guardian, committee, or similar court appointed representative and the court has approved the fee in question; (3) the fee is for representation of a beneficiary in a proceeding in federal district court; or (4) the fee is for representation of a beneficiary in a redetermination or reconsideration. If the representative wishes to waive a fee, he or she may do so. The form, OMHA-118, may be found at: <https://www.hhs.gov/sites/default/files/OMHA-118.pdf>

Approval of Fee

The requirement for the approval of fees ensures that a representative will receive fair value for the services performed before HHS on behalf of a beneficiary, and provides the beneficiary with a measure of security that the fees are determined to be reasonable. In approving a requested fee, OMHA or Medicare Appeals Council will consider the nature and type of services rendered, the complexity of the case, the level of skill and competence required in rendition of the services, the amount of time spent on the case, the results achieved, the level of administrative review to which the representative carried the appeal and the amount of the fee requested by the representative.

Conflict of Interest

Sections 203, 205 and 207 of Title XVIII of the United States Code make it a criminal offense for certain officers, employees and former officers and employees of the United States to render certain services in matters affecting the Government or to aid or assist in the prosecution of claims against the United States. Individuals with a conflict of interest are excluded from being representatives of beneficiaries before HHS.
