Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday; 8 a.m. to 8 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **CarePlusHealthPlans.com/medicare-plans/2023** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the provider directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium, unless your Part B premium is paid for you by Medicaid or another third party. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. Only Qualified Medicare Beneficiaries (QMB/QMB+), Specified Low-Income Medicare Beneficiaries (SLMB/SLMB+), Qualifying Individuals (QI), Qualified Disabled and Working Individuals (QDWI), and other Full Benefit Dual Eligibles (FBDE) may enroll in CareNeeds Plus (HMO D-SNP).

2023 Summary of Benefits

This booklet gives you a summary of what **CareNeeds Plus (HMO D-SNP)** covers and what you pay. It does not list all plan benefits or every limitation and exclusion. **Depending on your level of Medicaid eligibility, you may not have to pay a premium or any of the costs for medical services listed in this brochure, if they are paid for you by Medicaid or another third party.** For a complete list of covered services, please refer to the plan's Evidence of Coverage on our website, **CarePlusHealthPlans.com/medicare-plans/2023**, or call us and we will send you a copy. We will automatically mail it to you after you enroll.

Tips for comparing your Medicare choices

- To compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **Medicare.gov**.
- To learn more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **Medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY: **1-877-486-2048**.

Which doctors, hospitals, and pharmacies can you use?

CareNeeds Plus (HMO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers.

You must access all plan-covered services through the CarePlus network of providers, except for urgently needed care or emergency services. This includes any Florida Medicaid services we cover. Members receiving services not covered under our plan, such as waiver services, must access those services through the Florida Medicaid program network of providers. If you use out-of-network providers, we may not pay for these services.

Who can join CareNeeds Plus (HMO D-SNP)?

To join **CareNeeds Plus (HMO D-SNP)**, you must be entitled to Medicare Part A, enrolled in Medicare Part B, and be eligible for one of these Medicaid categories: Qualified Medicare Beneficiary (QMB/QMB+), Specified Low-Income Medicare Beneficiary (SLMB/SLMB+), Qualified Individual (QI), Qualified Disabled and Working Individual (QDWI), or Full Benefit Dual Eligible (FBDE).

You must also live in our service area, which includes the following counties in Florida: Hernando, Hillsborough, Lake, Marion, Orange, Osceola, Pasco, Pinellas, Polk, Seminole, Sumter. If you have any questions about your Medicaid eligibility or level of assistance, please contact us or your Florida Medicaid office.

Prior authorization or a referral may be required for covered in-network medical services.

You must generally use network pharmacies to fill your prescriptions for Medicare-covered Part D drugs. There are network mail-order pharmacies that offer preferred cost-sharing. You may pay less if you use these pharmacies.

To see our provider directory, visit our website at **CarePlusHealthPlans.com/directories**, or call us and we will send you a copy.

Medicaid providers who also participate in our provider network are indicated in our provider directory.

What does this plan cover?

CareNeeds Plus (HMO D-SNP) covers everything that Original Medicare covers - and *more*.

In addition to medical services, we cover certain Part D and Part B drugs such as chemotherapy and some drugs administered by your physician. See the Evidence of Coverage for more information.

To see our list of covered prescription drugs and any restrictions, visit **CarePlusHealthPlans.com/medicare-plans/2023-prescription-drug-guides**, or call us and we will send you a copy.

If you are getting full Medicaid benefits, please know that this plan also covers all the benefits you receive under traditional Florida Medicaid, except for long-term care services and any other waiver services.

Cost-sharing with this plan

Your costs with this plan (premiums, copayments, coinsurance, and deductibles) will vary based on your level of Medicaid eligibility, the assistance you receive from Medicaid, and the amount of Extra Help you get from Medicare.

If Medicaid pays your Medicare Part A and Part B premiums, deductibles and coinsurance, your cost for any medical services covered by our plan will never exceed the amounts you would pay for those same services under the traditional Florida Medicaid plan.

You are responsible for deductibles, copayments, and coinsurance for Medicare Part D prescription drugs based on the level of Extra Help/Low Income Subsidy (LIS) you get from Medicare.

Once you join this plan, be sure to show providers both your Medicaid ID card and your CarePlus membership card so they know you may have additional coverage.
