You can get more out of your plan by doing the following:

- **Stay in-network.** You may pay less for your drugs at in-network pharmacies.
- Consider using your preferred mail order cost-sharing pharmacies. They typically offer a lower cost-share than standard mail order cost-sharing pharmacies for most drugs (your cost-share for specialty drugs is the same at any in-network pharmacy).
- **Get a 90-day supply of many of the drugs you take all of the time.** You'll get more and may pay less, especially when you fill at a preferred cost-sharing mail order pharmacy.

You won't pay more than \$35 for a one-month (up to 30-day) supply of each plan-covered insuling product regardless of cost-sharing tier, even if you haven't paid your deductible.
