The following provides an all-inclusive list of dental services covered under this plan. Limitations and exclusions may apply. Submitted claims are subject to a review process which may include a clinical review and dental history to approve coverage. Any services received that are not listed will not be covered by the plan and will be the member's responsibility. The member is responsible for any amount above the dental coverage limit. Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire.

If a member visits a participating network dental provider, the member cannot be billed for charges that exceed the negotiated fee schedule (but coinsurance payment still applies).
- No out-of-network coverage on this plan.
- Humana is a Medicare Advantage health maintenance organization (HMO) with a Medicare contract. Enrollment in any Humana plan depends on contract renewal. Dental benefits on this plan use a preferred provider organization (PPO) dental network.
