

Humana Medicare Advantage makes it easy to get your dental care

Here are some tips to help you find an in-network dentist and access your dental benefits

Know your network

You have dental benefits through the **HumanaDental Medicare** network. To find an in-network dentist, use Humana's Dentist Finder tool at **Humana.com/DentistFinder**.

- 1) Select your preferred distance and enter your preferred ZIP code
- 2) Select a lookup method: Coverage Type, Member ID, or Sign in
- 3) If you don't have your Member ID on hand or are unable to Sign in, search under Coverage Type
- 4) Under Coverage Type select "All Dental Networks" and "HumanaDental Medicare" network, click Select
- 5) Narrow the search by name or specialty or simply click Search to proceed to all results

Know your benefits

You can access your plan's Evidence of Coverage in your secure member account at MyHumana.com. Medicare Advantage dental benefits cover specific procedure codes and coverage is subject to limitations. Your specific dental benefits are indicated by the DEN + 3 digits on the back of your Medicare Advantage ID card.

Make your appointment and explain your coverage

When you make an appointment or arrive at the dentist's office say, "I have dental benefits with my Humana Medicare Advantage plan. The dental benefits are provided by dentists in the Humana Dental Medicare Network."

Present your card

You won't get—or need—a separate member identification card for your dental benefits. Your Humana Medicare Advantage ID card contains the information you need.

This is the name of the medical network only. It is not related to the dental network.

The six-character DEN code indicates your dental benefits.
