La Lista integral de medicamentos de Humana Healthy Horizons® in South Carolina puede cambiar durante el año. Estos cambios podrían significar que el medicamento deja de ser un medicamento preferido o que existen nuevas reglas para que podamos cubrirlo. A continuación, encontrará una lista de los medicamentos que han cambiado.

Cómo leer los cambios de su Lista integral de medicamentos

- **Retirada de la lista de medicamentos:** Estos eran medicamentos preferidos, pero ahora van a ser retirados de la lista de medicamentos. Si su medicamento se ha retirado de la lista de medicamentos, es posible que usted tenga que pagar el precio total del medicamento.
- **Autorización previa (PA, por sus siglas en inglés):** Estos medicamentos necesitan aprobación por parte de Humana Healthy Horizons® antes de que podamos cubrirlos. A esto se le conoce como autorización previa.
- **Terapia por fases (ST, por sus siglas en inglés):** Estos medicamentos obligan a probar primero al menos otro medicamento.

Sus próximos pasos

- **Hable cuanto antes con su médico.** Debería compartir esta lista con su médico. Él o ella puede ayudarle a decidir qué debe hacer a continuación.
- **Solicitud de aprobación.** Si los medicamentos alternativos no le funcionan, su médico debe informar a Humana Healthy Horizons® por qué motivo usted necesita su medicamento actual. Su médico puede encontrar los pasos para solicitar la aprobación en www.humana.com/provider/pharmacy-resources/prior-authorizations.
